

SHOOTING THE **(poop)**

Leader: **Sarah Wilken**

When: **Tuesdays/6:30pm**

Where: **Erskine Martin's**

For: **Women**

Looking for a place to laugh, chat, be real, and build friendships? This group is all about relationships. No particular topic, no pressure to have it all together-just women doing life together through free-flowing conversation, many laughs, perhaps tears, and genuine connection.

Some of my closest and fondest relationships have grown simply from sitting around and shooting the (poop). That's what I hope this group becomes; a place where we can show up, be ourselves, and leave a little more connected than when we arrived
