

Adopt a Row: CommUNITY Garden Care

Help our garden grow by adopting a row or box for the season!
Your commitment is simple: help keep your spot weeded and cared for throughout this growing season.

Grab a flag from the lobby, write your name on it, head out to the garden, and stake your claim! Come out whenever it fits your schedule, and aim to make it part of your routine every other week.

Questions? Connect with Susan or Denise on Sundays.

Thank you for helping us grow something meaningful and care for our community, one row at a time!
