

Everyday Essentials: Home for Tracy Drive

One small act of kindness can make someone feel seen and cared for. Help us bless Home for Tracy by donating paper products and feminine hygiene items. Together we can meet practical needs and show the love of Jesus in everyday ways!

About Home for Tracy:

Founder and director of 'Home for Tracy' Clara Ross, uses her experience of being homeless for a brief period, to drive her work helping to provide transitional housing for homeless women in South Bend. They can stay for 6 to 8 months while they also maintain a job and work on building their credit and learning financial literacy. The goal is to help women go from homeless to homeowner! Watch our [Youtube video](#) and learn all about Clara and Home for Tracy.
