**Leading the Circle Community:
"DINNER AND DISCUSSION."**

This is a group for anyone, college-aged or young adults, looking to connect with others in open group discussions ,.. and also includes dinner as part of the gathering.

The Kosak's love hosting in their home and invite college aged/young adults to experience "Dinner and Discussions" on Monday evenings. This community is a mix of many LSC young adults and others who have connected to the IMPACT Campus Ministries through our local college campuses. This diverse group will be going through the book "With - Re-imagining the Way We Relate to God" by Skye Jenthani. The book explores the possibilities that we've misunderstood the call of the Christian life and challenges readers to a life lived in rich communion with God cultivating faith, hope, and love in a way that transforms both us and the broken world we inhabit. All gatherings begin with dinner ... home cooked by the Kosaks, you won't be disappointed.

Some fun facts about the Kosaks

- People might describe Lowell as quiet, welcoming and family
- Katie loves to wear hot pink lipstick and also dance to really loud music while she bakes (lipstick not required while baking)
- If Lowell could only eat one food for the rest of his life, he'd choose Katie's home made pretzel bites and beer cheese (guaranteed to be shared at least once during group!)
- Katie would love to fly to London and have tea at Fortnam and Masons tea room as one of her bucket list items
- Katie admits she's probably seen "Little Women" (with Winona Ryder) more times than the average person

One of Lowell's Favorite Scriptures:

Galatians 6:9-10

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.
