

## **Nourish our Neighbors: Food for Families Project**

Help support the Broadway Christian Food Pantry by collecting and donating dry goods for individuals and families in our community.

Simple items like canned foods, pasta, cereal, rice, and other pantry staples can help provide comfort, nourishment, and hope to those facing difficult seasons.

Together, we can care for our neighbors in a practical and meaningful way by helping keep pantry shelves stocked for those in need

**Items can be brought to LSC for distribution or taken directly to the Food Pantry at:  
1412 Carroll street  
South Bend, IN 46613**
