

Read it Forward: Little Libraries, Big Impact!

Help us spread the joy of reading throughout our community! From now through July 26th, LSC will be collecting new and gently used books to help stock neighborhood Little Free Libraries and community book boxes.

We welcome a variety of books for all ages, with a special focus on children's books, early readers, and family-friendly titles. Donations can include picture books, chapter books, teen books, novels, inspirational books, and other gently used reading materials in good condition.

Books may be dropped off at the church throughout July during regular church hours. Together, we can help place meaningful stories into the hands of children, families, and neighbors across our community.
