

## **Spreading Warmth: Judah's Pride Coat Drive**

Help us keep our community warm this season by donating coats for men, women, and children through Judah's Pride Coat Drive. Coat donations of all sizes will be collected through September 20th. Coats can be dropped off beginning August 1st at the display located in the church lobby.

A simple donation can provide warmth, comfort, and encouragement to someone during the colder months. Thank you for helping us care for our community in a practical and meaningful way!
