**Leading the Circle Community:  
"Love Your Life, Not Theirs"**

**This is a group for women looking for some hope in experiencing financial wellness and becoming more aware of how finances impact our every day lives.**

Jen Gaddey has a passion for financial wellness and wants to share her story of how she and her husband overcame major obstacles in their financial life to now live a more peaceful life. She says, "I want to encourage everyone to talk more about money and the emotions around it, so the negative stigma is erased and it becomes more commonplace." Through this Circle Jenn hopes to inject hope in others lives so they can also enjoy the freedom she has come to know. The book, "Love Your Life Not Theirs," by Rachel Cruz will be the resource used in this Circle Community.

### **One of Jen's Favorite Scriptures:**

Philippians 4:11-13

*I am not saying this because I am in need, for I have learned to be content whatever the circumstances. 12 I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. 13 I can do all this through him who gives me strength.*
