DECLARATION OF FAITH TO LEVEL UP SPIRITUALLY IN 2021

Father, I thank You for declaring NEW LEVELS in 2021. I believe and receive what heaven has announced for me!

I have the same spirit of faith, according as it is written: "I believed and therefore have I spoken" – as a Body, we also believe and therefore speak.

I openly declare what You have already decreed. NEW LEVELS are HERE for us!

I open my heart to flow in the LEVELS of the Spirit You have ordained for this season.

As I walk with You into 2021 and am led by Your Spirit, You give me divine revelation.

I am able to SEE what You have already provided for me, my family, and our church.

As I READ YOUR WORD, You speak to me by Your Spirit.

As I spend TIME IN PRAYER, You reveal Your will with clarity.

As I MEDITATE and MEDICATE on Your written Word and the Words You have spoken to me, You flood my heart with divine light. I am able to see the hope of Your calling for my life and the exceeding great riches that You have, in heavenly places, in Christ Jesus, FOR ME!

As I SEE what You reveal, I believe and receive it all in my heart. I know it has to be real to me, ON THE INSIDE, before You manifest it, ON THE OUTSIDE!

So I meditate on what You reveal until it becomes MORE REAL to me than what I see with my natural eyes.

As You reveal Your will to me for 2021, I keep reminding myself that You have already provided everything You reveal. I am not working for it. I am not striving to OBTAIN. I simply RECEIVE and MAINTAIN what Jesus OBTAINED for me!

You give me all things FREELY, by grace, and I lay hold of them with my faith.

This is how I will walk in the NEW LEVELS You have declared over my life in 2021.

I will receive INSIGHT from Your Word on a NEW LEVEL!

I will get downloads from heaven in PRAYER on a NEW LEVEL!

And I will walk by faith with a LEVEL of DIVINE CLARITY that I have never experienced before!

I go from LEVEL to LEVEL because I live from FAITH to FAITH!

I declare this by faith. In Jesus' name. Amen!
