

# ***A Look Ahead for May***

Teachers: Ms. Lisa, Ms. Nikki

## **April Summary**

Wow! Time really does fly when you're having fun, and we had lots of fun this past month! Dad's day was a nice change for the kids and for me and Miss Nikki. We don't often get to talk with the dads so it was fun to get to know them a little better. The kiddos enjoyed learning about plants and what they need to grow. They really liked planting our green beans outside. I hope it wasn't too soon with this crazy weather we've been having but they seem to be surviving. They also had a blast during science with Mrs. Sunshine. She not only brought her friend Sherlock but she had several other friends with her as well. She had a special friend named Rosie who is a chicken. Mrs. Sunshine and Rosie taught us all about eggs and the animals that hatch from them. We love when Mrs. Sunshine visits us because no matter how cloudy it is, she always brightens our day!

## **What's New?**

I can't believe this is our last month of school. We've been having so much fun and I've got lots of fun things planned for May. Our theme is camping (and bugs). Our dramatic play area has been turned into a cabin in the woods complete with a pretend camp fire. We will be learning about animals that live in the woods and are awake at night. We will also learn about bugs, including the life cycle of a butterfly and the firefly migration that happens in different parts of the country. We will be painting with sticks and rocks, going on a scavenger bug hunt and making S'mores! Yum! We've got a lot to do this final month and I am looking forward to every bit of it!

## **Ms. Lisa's Thoughts**

I am sad that our year is almost at an end. I have sincerely enjoyed getting to know your children and can honestly say, "I love them all". Each kiddo has something unique and special about them and they have all grown tremendously. There is no better job than the one I have! I really hope I get to see a lot of them during our week long summer camp. Last year was our first year offering it and it was GREAT! The kiddos were kept busy, but it was also a very relaxed atmosphere. If you're thinking about it, do it. It was lots of fun!

## **Reminders**

**Moms this is your month.** Our Mother's Day tea parties are as follows:

**M, W, F class** has their tea party on **Wednesday 5/8 from 10:45 until 11:45.**
