What we are learning

Social Studies- Just like Thanksgiving, Christmas gives us another opportunity to look at how people lived long ago and compare it to how we live today. As we prepare to tell the story of when Jesus was born we will be taking a look at things like how people dressed, how people traveled, what houses looked like and much more. We will also get a look at a Victorian Christmas in the 1800's on our field trip to the Francis House.

Math- In math we will be using our problem solving skills to compare and measure. We will also practice recognizing and repeating patterns.

Music- We will be learning to play the Crystal Bells. This will challenge our self control and concentration.

Notes & Reminders

- * **Monday 12/10** Field Trip to The Francis House for Cookies Over The Coals (A look at Christmas in the 1800's)
- * **Friday 12/14** Nativity Play and Christmas Celebration (All are welcome to join us at 10:30) The play will take place in the Meetinghouse and our party will be in the Fireside room down stairs all are welcome I will just need a count and for all to bring a snack to share.
- * **Christmas Vacation** see you on Wednesday, January 2nd for our first day back.
- * Your Child must have a flu shot or a proper exemption document completed and returned by Dec 31. This is a state requirement in order to attend preschool.

Happy Birthday
