

HEDGEHOG'S NEWS

April 2019

Mrs. Cacioli &
Mrs. Sunshine

April showers, bring .

No more snow PLEASE! I cannot wait to start our little discovery walks again, searching for signs of spring, or start planting with your child. We try to take the children outdoors as much as possible, so they can run, jump, climb, and use all the large muscles in their bodies, but also to explore, make discoveries and appreciate nature.

Hopefully, we will notice changes in the weather soon, observe the growth of plants, and spot more animals. We plan to focus on the environment and talk a bit about recycling and our responsibility to keep our planet clean.

We encourage them to wonder about what they see by asking questions like: Why does the water puddle up after a rain and why does it disappear when the sun comes out? How are plants/animals different or the same? ...

Make time to appreciate nature!

Special Buddy/Dad Day

Please make sure, your child has a special someone

Dad/Grandpa/Buddy on

April 4th
