

## 3 Day 3's December Monthly Newsletter

Ms. Amanda and Mrs. Hacker

**Monthly Update:** We finished our bear unit by reading Goldilocks and the Three Bears. The children had fun using the felt board to help tell and retell the story. They also enjoyed acting out the story with different sized bowls, chairs and a blanket for props. For the second week in December, we are moving into the Christmas story and the reason for the season, Jesus!

**We are working on:**

We are working on retelling stories by using velcro pictures and the felt board and re-enacting stories using props. This month, children get to use their fine motor skills to decorate a small Christmas tree. We have transformed the dramatic play area into a manger scene, complete with a backdrop, where the children are able to play with babies, wise men and manger animals. We have also added Christmas and seasonal books to the book nook area.

**Important dates:** No school from December 14 through January 1. We will see you on January 4<sup>th</sup>!

Merry Christmas!
