

3 Day 3's November Monthly Newsletter

Ms. Amanda and Mrs. Hacker

Monthly Update: We are starting November by talking about bears and hibernation. Then, we will move into what it means to be thankful and talk about how we celebrate Thanksgiving. We are continuing chapel and science with Mrs. Sunshine weekly, which the children look forward to so much!

We are working on:

Along with learning about hibernation, we will be reading some great books, such as Bear Snores On, Bear Has a Story to Tell, Follow that Bear If You Dare!, Brown Bear, Brown Bear, What do you see? and We're Going on a Bear Hunt. We will learn what it means to be thankful and name/draw many things we are thankful for. We will be drawing our families and adding our drawings to our individual portfolios. This month, we are practicing some seasonal songs. We will record the class singing & send you a video of our best performance!

Important dates: No school on November 11 or 27th

Happy Thanksgiving!
