

Lunch Bunch

Dear Parents,

Lunch Bunch sessions are in full swing! Lunch Bunch begins at 11:45 and ends @ 12:30. Your child is to bring a packed lunch to school. We do not have a refrigerator to accommodate all of the children so please pack an ice pack, if needed. Please provide the utensils that your child may need in their lunch box, as well. The teachers no longer have easy access to a microwave.

Your child may attend any session. We will take a daily attendance. You will be charged at the end of each month for the sessions your child attends.

Lunch Bunch sessions are available Monday through Thursday of each week. The cost will be \$8.00 for each 45 minute session. Lunch Bunch is available for all children attending either morning or afternoon classes.

Lunch Bunch will be in the middle classroom. Phoebe Ostergren and Seema Anup will be in charge of these sessions. You will receive a more detailed letter from Mrs. Ostergren if you choose to have your child participate.

The sign-up sheet is posted on a clipboard outside the middle classroom door. Mrs. Ostergren will update the sheets every 2 weeks. This system allows the teacher to know who will be attending lunch bunch from their classes on a daily basis. It is acceptable for you to sign up your child the day in which he/she is attending.

Our Extended Enrichment Sessions, which will begin at the start of October. These enrichment sessions include Lunch Bunch. Please look for the Extended Enrichment Sessions letter with more details!

Thank you,

Vickie
