

Busy Beavers Classroom Newsletter

Monthly Update:

Happy first day of March! Only 19 more days until spring! Can you believe it's already March? It has been a great winter so far and we are looking forward to a beautiful spring in full bloom. We have several exciting things planned for your children this month. We will be celebrating Dr. Seuss's birthday by reading One Fish Two Fish and practicing our math skills. We will celebrate Saint Patrick's day by creating mosaic paper shamrocks. We will be making a friendship branch by working together and stringing beads. We will also learn about rainbows and search for signs of spring! Please don't forget that we have parent/teacher conferences on the 12th and Family Fun Night on the 24th (art show, music, dancing and games).

Learning Experiences:

We will recognize the D, E and L -letters and sounds. We will continue to practice math skills daily and have fun utilizing these skills on game day. We will discuss weather changes, clouds and how a rainbow is formed. We will represent people, places and things through our dramatic play - this month we will focus on community helpers; who they are, what they do and why it's important to learn about them.

Reminders:

No school on March 12 for the children.

Parent /teacher conferences will be held on March 12th in our classroom based on the sign up times requested.

Family Fun Night & Art Show—March 24th

Dad's/Buddy Day Breakfast— April 2 (8:45 to 10:00 a.m.)
