## Artists, health, weather,.....

Art is an important part of our curriculum. Every day, your child has a variety of art materials available on our shelves. Drawing, painting, and constructing are not only enjoyable but also provide important opportunities for learning. Children express original ideas and feelings, improve their coordination, learn to recognize colors and textures, and develop creativity and pride in their accomplishments by exploring and using art materials.

You can help your child appreciate art right in your home. When you look at books together, talk about the illustrations. Discuss the art on the walls in your home, visit a museum, etc.

## Parent/Teacher Conferences

March 7<sup>th</sup>! No school this day. Please make child care arrangements!

I am looking forward to meeting with you and discussing your child's progress.

We dedicated a week to famous artists last month and hopefully produced some true masterpieces for the
