This is determined at the discretion of the Family Pastor.

### **Spending money:**

Students may want to bring spending money for snacks and to purchase merchandise. There will also be shopping time at Alvin's Island as well as a meal out to eat during the week. Students will also be required to pay for two meals (fast food) on the trip, breakfast on the way down Monday and lunch on the way back Friday. All other meals (breakfast, lunch, and dinner) are provided in the cost of the trip.
