## The WKND 2018

Dear Parents,

We are so excited to announce our 2018 winter retreat, The WKND!!! We are going to be heading up to **Camp Lee Canyon from March 9-11** to spend three days and two nights worshipping Jesus and having TONS of fun together. This year we worked hard to keep our cost to **just \$100! This covers transportation, lodging, activities at the camp, and meals (dinner on Friday thru breakfast on Sunday).**

I know that some of you may be wondering *why* you should spend \$100 and send your students on a weekend retreat. Let me explain the heart behind what we're trying to do. We believe that it is so important for teenagers to be a part of a youth group—having community and growing with other Christians their age. Because of this we tailor every part of our youth services (teaching, music, hangout time, etc.) to teenagers in order to present the message of Jesus in a way that most applies and makes sense to them. But two hours on a Sunday night isn't a lot of time when you consider that there are 168 hours in the week.

The goal of this retreat is to get students away from all distractions—from their friends, their technology, and their normal routines—and bring them into an environment where they can be transformed by the grace of God. We want to ignite a passion in every student to both live for Jesus and to share the gospel with their friends. Everything we've done week in and week out in our youth group will come to a culmination as we have extended worship times, hear deep and relevant teaching from God's word, and have discussion groups to talk about what we are learning and how it impacts our lives. I believe that \$100 and one weekend is just a small investment that will pay huge dividends in your teenager's walk with Jesus. Let this year mark a new chapter in the life of your student and send them on our 2018 Winter Retreat!
