

2027 Youth Time & Talents Pledge Card

We would like to invite all families in our community to talk and pray together about how the Lord might be calling you to dedicate your time and talents to God's service here at Faith in the coming year. Engaging in this spiritual practice early and consistently as a family can help young people build well-rounded giving habits that last a lifetime!

Below you'll find some current and upcoming opportunities to serve. If you or your children would like to serve in one or more of these ways, indicate each person's interest by writing that person's first name on the appropriate line(s). (It's fine for all your family members to use the same card.) When we receive this form back from you, one of our leaders will be in touch to help you plug in.

Thank you for taking the time to think together about how you will dedicate your time and talents for the sake of God's kingdom in 2027!
