

2027 Time & Talents Pledge

Please take time to prayerfully consider how the Lord is calling you to dedicate your time and talents to serving in the ministry of Faith Presbyterian Church this coming year. Then, please use this form to:

- Indicate your desire to *recommit to a ministry in which you already serve*. There is space for you to do so on the back of this form.
- *Express your interest in serving in a new way*. If you indicate an interest in one or more areas below, one of our leaders will contact you to provide you with more information. If there is more than one person in your family using this form, indicate the interest of each family member by writing the appropriate first name on the line next to each opportunity.

Please bring this pledge card with you on Sunday, October 4, which is Stewardship Commitment Sunday.
