Thrive Faith Formation Tip - Dr. Martin Luther King, Jr., was curious about the racial climate in the United States in the 1960s. Growing up in the segregated South troubled and inspired him for a better vision of an America that lived out the true meaning of its creed that all people are created with equality and dignity. How might the Lord be nudging you to reach out to someone with curiosity this week? What simple act can you do this week to move toward love, unity, and a celebration of diversity? Brought to you by Thrive: crcna.org/Thrive

Groundwork: Jesus is the High Priest Who Meets Our Needs - Do you ever feel alone, like no one can understand what you're going through? Join Groundwork as we study Hebrews 4:14-7:28 to learn about the high priest Melchizedek.
