Thrive Faith Formation Tip - God invited his people Israel to model the kind of radical curiosity that recognized the image of God in every human being. For the most part, Israel had little success being curious about others, instead making their own lives their top priority. Their lack of curiosity blocked their ability to see their neighbors in the image of God. Still, the Lord kept his promise to make something out of them for the purpose of being a light of grace and blessing to all other peoples (Gen. 12:2-3). This week reflect on whom God has been asking you to be curious about. Reach out to those people whom God places on your heart, seeking to learn more about them and their life. Kids Corner Devotions - Check out this week's kids' devotion, "Talking About Sin: Tell and Show" at www.kidscorner.net. What's the best way to apologize? Explore the two-step approach: First, tell God you're sorry and say it to the person you've hurt. Then get serious and show your "I'm sorry" by taking action.
