Why should I be a pro-life member? When pro-life groups approach government, the greater the number of voters represented, the greater the government listens. Your membership dollars contribute to your local group's advertising on Facebook, billboards, newspapers, radios, and websites. To offer emotional support to leaders in the pro-life movement who may be feeling drained at times. To protect the lives of the vulnerable: the preborn, the disabled, and the elderly. To make your voice heard. Thank you for supporting the pro-life movement in this area.

Thrive Faith Formation Tip - The faith practice of remembering provides a way to center our attention on what God has done in our lives as a reminder that God is with us here and now. As the month of January draws to a close, share your favorite memory from the past month or past year with your family members or friends, recognizing God's care and love for you in that moment. For more info on the faith practice of remembering, see crcna.org/FaithPracticesProject/remembering. Brought to you by Thrive: crcna.org/Thrive
