Monday

It's possible to do many good things and still miss the best thing. Jesus invites us not to measure our day by productivity, but by proximity to Him (Luke 10:42). *What has been shaping your spiritual "scorecard" more—busyness or closeness with Jesus?*

Tuesday

Scripture reminds us that who we surround ourselves with will quietly shape who we become (1 Corinthians 15:33). God often forms us through people long before He uses us in visible ways. *Who is currently influencing your faith more than you realize?*

Wednesday

The widow's offering reminds us that heaven measures generosity differently than the world does. God notices what others overlook, especially sacrifice offered in trust (Mark 12:44). *Where might God be inviting you to trust Him with something that feels small but costly?*

Thursday

Jesus is clear that fruitfulness flows from abiding, not striving (John 15:4). When we focus on remaining with Him, God takes responsibility for the results. *Where have you been trying to produce fruit instead of staying connected to the vine?*

Friday

Throughout Scripture, God works one life at a time, one sheep, one coin, one heart (Luke 15). Faithfulness often looks ordinary, but heaven celebrates every step of obedience. *Who is the one person God may be calling you to love, serve, or speak with in 2026?*
