Weddings Guidelines

Wedding Coordinator

All weddings on church property must be directed by a church approved wedding coordinator.

Premarital Counseling and Ceremony

We require each couple to have premarital counseling from a church approved mentor couple or the pastor who will officiate at their wedding. Our pastor usually requires four or five counseling sessions and a rehearsal.

Visiting ministers are welcome to conduct the ceremony but must get prior approval from our pastor. No fee is charged by our pastor when officiating at the wedding of a member of Canopy Roads Baptist Church. An honorarium is acceptable. For non-members, our pastor's standard fee for a rehearsal and the ceremony is \$200.

Music

Only music appropriate for a Christian wedding ceremony may be used. If there are questions regarding musical selections, you are encouraged to discuss them with our pastor.

A Canopy Roads Praise Band keyboardist may be available to play for weddings. A minimum fee of \$100 is charged for this service, to be paid directly to the keyboardist. A conference should be scheduled with the keyboardist to determine what music will be played live.

If a guest keyboardist is to play at the ceremony, the church office should be notified of his or her name, telephone number and equipment needs. The guest musician should call the church office to arrange a time for practice and become familiar with our church facilities.

The Canopy Roads audio-visual technician must be present one hour before and during the ceremony. A minimum fee of \$100 is charged for this service,

to be paid directly to the technician. If the couple wishes to have pre-recorded music played before the ceremony, or wishes the ceremony itself to be taped (audio or video) by the church, please schedule a conference with the Canopy Roads audio-visual technician by calling our church office.

Decorations

In planning for decorations, please remember that your wedding is meant to be a service of worship and plan accordingly. Please notify the church office of the florist you have selected as soon as possible and schedule a time for floral delivery and set-up of decorations, which should occur simultaneously if possible. Please coordinate these requirements with the CRBC Wedding Director.

No glue, nails, tacks, or screws are to be inserted in any part of the building or furnishings. No artificial platforms or structures are to be used without permission. Only dripless candles are permitted inside the building.

The couple will be responsible for any property damage or cleaning expenses incurred by the use of candles and other materials. Property belonging to the florist and the set-up crew must be removed immediately following the ceremony and the church left in good order.

Set-up

No sanctuary furniture may be moved without permission.. If permission is granted, all furniture must be returned to its proper location. Any damage incurred is the responsibility of the couple.

No stage equipment or musical instruments may be moved without permission from the audiovisual technician. If permission is granted, all stage equipment or musical instruments must be returned to their proper locations. The audiovisual technician must be present when moving stage equipment or musical instruments. Any damage incurred is the responsibility of the bride and groom. Advance notice, prior to the day of the rehearsal, should be given to have the stage cleared. A minimum fee of \$100 is charged to pay the sound crew for taking down and resetting the equipment.

Guidelines for Using Pre-School Rooms for Special Activities Canopy Roads Baptist Church

The following guidelines are important and necessary for the health and safety of children using the pre-school areas and for the organization and cleanliness of the rooms on an ongoing basis. Please share with the supervising adults in each room used. Call Diane Abrams, Pre-School Ministry Director, at 491-5102 if you have questions or need additional information or clarification.

- Children should not be allowed in the storage/supply closets. Doors should be closed at all times.
- Trash cans are located in each room and in each bathroom. All trash (food, drinks, dirty diapers, etc.) should be placed in trash cans and placed in the outside dumpster before leaving. Soiled diapers should be placed in a plastic bag before placing in the trash cans in the rooms or bathrooms.
- Remove/clean up any food or drink spills and any leftover materials from the activities.
- All items in the pre-school room that are used (toys, games, videos, etc.) should be returned to the original place in the rooms or supply closets. The rooms need to be ready for use on each Sunday morning without clean up by teachers and volunteers coming in.
- Toys used in the baby and toddler rooms must be sanitized after each use of these rooms. Sanitizer is located in the toddler room, baby room or in the supply closet.

Thank you for helping us maintain a safe and clean environment for our children. Please contact me as needed if concerns arise.
