Hi Church Family,

We've been closely monitoring the situation with COVID-19 and its impact on our community. We are following the recommendations of our government officials and are postponing **all** activities, including services, Life Groups, prayer groups, outreaches, and meetings. The CDC has reported that these conditions could last up to 8 weeks.

**We will, however, still have our live online broadcast on Sunday mornings at 9am and a rebroadcast at 11am!**

The Church Office will remain open Tuesday to Thursday from 9am-2pm and Friday from 9am-12pm. If you're in need of prayer or have other questions, you may call the office at 310-835-5661.

**We're believing for supernatural breakthrough with COVID-19 and we would like to come together as a family for a day of prayer and fasting on Tuesday, March 24. God can and will turn the situation around!**

For official updates and facts on COVID-19, we suggest visiting [www.cdc.gov](http://www.cdc.gov) and also [www.coronavirus.la](http://www.coronavirus.la). Health experts are reporting that most people recover from COVID-19, but those who are elderly or have compromised immune system could experience a life-threatening illness. We want to protect everyone in our community, so we encourage all of you to use wisdom by washing your hands, practicing social distancing, and so forth.

This is a difficult time for many, but remember, God has not given us the spirit of fear, but of power, love, and a sound mind. He has not caused this virus, but we know that He is working in the midst of it!

Know that we are praying for you, we care about you, and we want to stay connected with you.

We love you,  
Pastor Louie & Sandra
