

Cedar Point **FAQ:**

Pick-up and Drop-off

- We will be taking the Summit Church bus and leaving the parking lot of Summit Church at 6:30AM on Friday, August 8. Please arrive early.
 - Drop off at West entrance.
- We will be arriving back at Summit Church at approximately 11PM.
 - Pick up at West entrance.

Food and Drink

- We will have light snacks for the bus ride from the church to Cedar Point and back. Dinner at the park is also included in the student's ticket. However, lunch is NOT provided. Students will need to bring cash or card to purchase lunch within the park.
- A small water bottle is okay and can be filled at drinking fountains within the park (this will be covered more in the packing section). Outside of these, students will either need to purchase a drink, or they can use the water fountains on site.

Packing for the Day

- *These things are suggested but not required**
- Small belt bag or fanny pack. Avoid large bags as they are not allowed on most rides and we will not be renting lockers.
- Small water bottle. This is strongly suggested as it will likely be warm and there will be a lot of walking. Avoid large bulky water bottles as these may not be allowed in the park or on some rides. *Note: bottles must be empty before entering the park.*
- Medication: The church will pack motion sickness medicine (Dramamine) and pain relievers (Tylenol/Ibuprofen). We will also bring sunscreen. *Note: if you plan to send meds with your student please send only what is needed and please place in labeled bag or buy the single-dose packs of pain relievers. This is to minimize the chance of confiscation during bag checks.*
- Accessories: if you plan to send sunglasses with your student, we recommend a strap especially if the student plans to wear them on a ride. The same is true if your

student is bringing a hat, we recommend a bucket hat with a strap for security. Pack light, consider pockets that button or zip if you plan to bring small objects.

Keeping track of everyone

- We will split the number of students into groups with 2 leaders.
- Students will not be without a leader when in the park.
- There will be an attendance check every hour we are in the park.
 - These checks will be a text from each group leader to the youth pastor
- During the lunch hour the youth pastor will call each group leader and confirm attendance as well as check to make sure lunch is going smooth.
 - Lunch will not be in the large group but rather in small groups with leaders.
- The afternoon will consist of hourly attendance checks until dinner
 - At dinner (location TBD) the youth pastor will do another attendance check
- There will be a final attendance check after dinner once everyone is on the bus.

Approximate Schedule

- 6:15AM Students drop off
- 6:30AM Bus leaves Summit Church
- 7:40AM Rest stop
- 9:50AM Arrive at Cedar Point
- 10:00AM Check-in
