

I Thank God

Wandering into the night wanting a place to hide
This weary soul this bag of bones
I try with all of my might
But I just can't win the fight
I'm slowly drifting a vagabond
And just when I ran out of the road
I met a man I didn't know
And He told me that I was not alone

**He picked me up He turned me around
And placed my feet on solid ground
I thank the Master I thank the Savior
Cause He healed my heart He changed my name
Forever free I'm not the same
I thank the Master I thank the Savior I thank God**

I cannot deny what I've seen
Got no choice but to believe
My doubts are burnin' like ashes in the wind
So so long to my old friends burden and bitterness
You can just keep them moving
(Nah you ain't welcome here)
From now till I walk streets of gold
I'll sing of how You saved my soul
This wayward son has found his way back home

Trading My Sorrows

I'm trading my sorrows
I'm trading my shame
I'm laying them down
For the joy of the Lord
I'm trading my sickness
I'm trading my pain
I'm laying them down
For the joy of the Lord

**Yes Lord yes Lord yes yes Lord
Yes Lord yes Lord yes yes Lord
Yes Lord yes Lord yes yes Lord amen**

*I am pressed but not crushed
Persecuted not abandoned
Struck down but not destroyed
I am blessed beyond the curse
For His promise will endure
That His joy's gonna be my strength
Though the sorrow may last for the night
His joy comes with the morning*

Shout to the Lord

My Jesus my Saviour
Lord there is none like You
All of my days I want to praise
The wonders of Your mighty love
My comfort my shelter
Tower of refuge and strength
Let every breath all that I am
Never cease to worship You

**Shout to the Lord
All the earth let us sing
Power and majesty
Praise to the King
Mountains bow down
And the seas will roar
At the sound of Your name
I sing for joy
At the work of Your hands
Forever I'll love You
Forever I'll stand
Nothing compares to the promise
I have in You**

God of Wonders

Lord of all creation
Of water earth and sky
The heavens are Your tabernacle
Glory to the Lord on high

**God of wonders beyond our galaxy
You are holy holy
The universe declares Your majesty
You are holy holy
Lord of heaven and earth
Lord of heaven and earth**

Early in the morning
I will celebrate the light
When I stumble in the darkness
I will call Your name by night

*Hallelujah (to the Lord of heaven and earth)
Hallelujah (to the Lord of heaven and earth)
Hallelujah (to the Lord of heaven and earth)*

Open the Eyes of My Heart

Open the eyes of my heart Lord
Open the eyes of my heart
I want to see You
I want to see You

**To see You high and lifted up
Shining in the light of Your glory
Pour out Your power and love
As we sing holy holy holy**

*Holy holy holy
Holy holy holy
Holy holy holy
I want to see You*

I Could Sing of Your Love Forever

Over the mountains and the sea
Your river runs with love for me
And I will open up my heart
And let the Healer set me free
I'm happy to be in the truth
And I will daily lift my hands
For I will always sing
Of when Your love came down yeah

**I could sing of Your love forever
I could sing of Your love forever
I could sing of Your love forever
I could sing of Your love forever**
