

## **S.U.M.M.I.T. Multiplication Training**

**Presented by Andrew and Carlee (Ammons) Coker**

### **Saturday, April 9 in the FLC**

**8:30 Donuts, coffee, and juice**

**9:00 – 3:00 “Four Fields-Level 1” Training (Lunch provided)**

“Four Fields” is a biblical strategy used by international missionaries for evangelism, discipleship, leadership development, and church planting. Based entirely on the parable of the Growing Seed in Mark 4:26-29, it is our belief that this simple strategy is in line with our disciple-making objective and S.U.M.M.I.T. model.
