High School Youth Retreat

Join us on this exciting High School retreat to Cran-Hill Ranch! This will be a weekend focused on a deep dive study into the topic of Evangelism. What is Evangelism? Are there methods to make Evangelism more effective? Why Evangelize if God is Sovereign? Does Evangelism change in different cultural contexts? Students will have an opportunity to submit questions to the "tough Q's box throughout the weekend. We hope and pray each student who attends will be encouraged and challenged through scripture. There are separate wings in the facility for girls and for guys and the basement has a kitchen and serves as a recreation area. Lessons will be held in Rec. center. We will walk to the dining halls for lunches and dinners. There will be many great activities and games depending on the weather. These activities include tubing, ice or rock wall climbing, and archery tag!! This is a great time for fellowship and to study God's word together.
