

If God were to ask you why you should be allowed into Heaven, how would you answer?

Why do you want to get baptized? Have you been baptized before? If so, was it before or after you surrendered your life to Jesus?

As a church, we are committed to helping people experience the transformation that comes with being a follower of Jesus. While every person who is baptized is still a sinner, the new life that has been given in and through Jesus should be more and more evident in daily living. Baptism is a public profession and symbolizes death to our old life and our receiving a new life in In Christ. In light of that, how are you seeing your new life in Christ reflected in your daily lifestyle?
