Newsletter of the Student Ministry at Damascus Baptist Church

We have talked much this year about putting God first. I wonder how we are all doing with that right now. We have come down from the Spiritual high from Winter Retreat, and as I predicted; life happened. And guess what; life will continue to happen. Because it will continue, we must be strong. We have to be determined and we have to be intentional. Here is why, as we try to do what God tells us to do, Satan is going to do his best to get in the way. He does not want us to spend time with God, or go to Church, or share Jesus with our friends. Ephesians 6:12 tells us to put on the whole armor of God so that will be able to stand our ground. Trust me, it will not always be easy, but if we are determined, it will always be possible. God has gone out of His way to have a relationship with us, and He sent His Son to die to redeem us. Surely we can make time for him.....even when life happens. Please know that it is no easier for me that it is for you. But together we can.

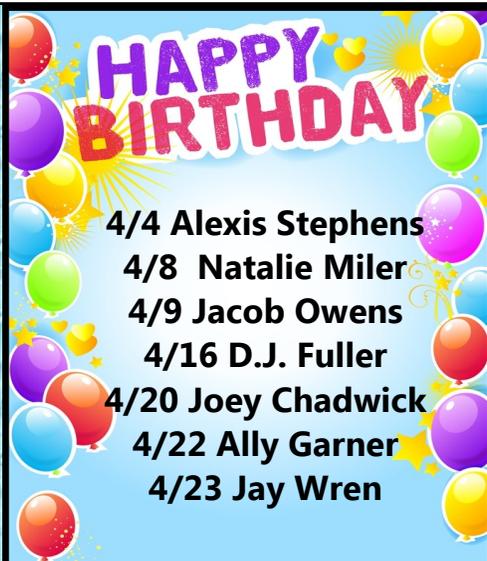

Think about it.....

### Bible verse to think about:

*1 Corinthians 1:18 For the message of the Cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.*
