Newsletter of the Student Ministry at Damascus Baptist Church

So once again we are in the month in which we are to be Thankful. I have to say that I feel that as a member of Damascus Baptist Church, I have much to be thankful for. We have a great Pastor and a great Music Minister, and a whole congregation of people who smile when they see us and are always ready to give and receive a hug. I am also thankful to be a part of the work that God is doing at Damascus; there are several mission trips throughout the year including overseas trips, in state trips, and countless local missions we have been a part of. We have raised over a thousand dollars for Operation Christmas Child and will pack 75 boxes this weekend. The point is, God requires that as Christians, we serve and give. As we do, we receive blessings on top of blessings. Now, we don't necessarily serve to receive the blessings; we serve out of love and blessings are the result. I am thankful to be a part of a loving, caring, giving, serving, and praying Church, and I hope that you will always want to be a part of the many opportunities to serve. One of them is this weekend, I will be hoping to see you there.

Think about it.....

Bible verse to think about:

1 Peter 1:24 All men are like grass, and all their glory like the flowers of the field. The grass withers and the flowers fall, but the Word of The Lord stands forever.
