Missions Fair

Sunday, March 3rd

9:30am to 12 Noon

The Missions Committee is excited to host a Missions Fair!! We will begin with a light breakfast. During our Sunday School hour there will be short presentations on all the ministries Damascus supports. During our Worship time we will hear reports on recent mission trips. Without your tithes and offerings it would not be possible to financially support all these wonderful ministries. Several members are already involved. *Come find out how you can become a part of the Kingdom Work that is going on locally and internationally!*
