**THANK YOU**

Thank you all very much for the lovely appreciation luncheon and the words of praise given us last Sunday. We appreciate the recognition and cards we received from the church family. -The DBC Staff

**Church Cemetery Policy**

After extensive review it has been decided that the word "exclusively" should be removed from the last sentence of the section under polity on page one that reads, "The income from this trust shall be used exclusively for the upkeep and maintenance of said cemetery." The removal of the word "exclusively" would reflect the decision voted in during a called church conference on January 07, 2007 that states "Any income from investments not needed for the perpetual care of the cemetery would be given to the church on an annual basis".
