CHRISTMAS  
OFFERING®  
The Lottie Moon Christmas Offering® is a registered trademark of IMB®.

Your generosity meets tangible needs. Agricultural projects provide entry to regions that are otherwise difficult to access with the gospel. At the same time, missionaries bring much-needed expertise to rural areas and, often, marginalized people. Life changing opportunities can come in the form of learning new skills to those trapped in poverty. Learning a viable trade often means an escape from a life of exploitation. Unreached communities can often be accessed through medical workers providing desperately needed healthcare in hard-to-reach places.

There were 12,368 new churches started in 2019.

Below are some of the costs in meeting tangible needs:

**\$26** - gardening tools and seeds

**\$230** - two sheep for a family to start animal husbandry work

**\$1,500** - large greenhouse for research, training & growing new seed varieties

**\$5** - 20 clean syringes

**\$300** - renewal fee for IMB doctor's professional license
