

## MYFAITHVOTES

# How Should Christians be involved in the elections?

We encourage you to unite with fellow believers to do three things: **pray, think, and vote.**

**PRAY** We will pray and recognize our great need for God's wisdom in the voting process. Hebrews 11:16 says, "And without faith it is impossible to please him." Romans 10:17, "And so faith comes from hearing, and hearing by the Word of Christ." The primary pursuit during an election cycle is to seek the face of God in prayer for our communities and our nation.

**THINK** We will think about the issues through the lens of a biblical worldview. When we unite on God's word, we will rise above partisan divides, and stand for time-tested biblical truths. Christians can offer solutions to our world's greatest problems when we bring a biblical worldview to the ballot box (Luke 10:27).

**VOTE** We will vote and exercise our God-given responsibility to turn our faith into action at the polls. We have been given much in America, and to whom much is given much is required (Luke 12:48). We will vote to be faithful stewards with the blessings God has given us in America and we will encourage others to do the same.

# We Will Stand United for the Values Important to Our Faith.

## The Sanctity of Life

We will protect the sanctity of life from conception until natural death. God is the creator of the universe and the creator of each one of us (**Psalm 139:13-16**). He numbers our days and appoints a time for everything (**Ecclesiastes 3:1-2**). When we vote, we will protect human life at every stage.

## Religious Liberty

We will defend religious liberty in America. As Christians, we are called to bring our faith into the public square (**1 Peter 3:15**). We must protect religious liberty to be able to freely practice our Christian faith at our places of business, our homes, and in the public square (**Romans 1:16**).

## Marriage and Family

We will uphold marriage and family as the institution God established (**Genesis 2:24, Psalm 127:3**). We acknowledge healthy families are built on the solid foundation of marriages and strong societies are built on the bedrock of the institution of the family. We will unite on scripture, and advocate for God's design of marriage and family in the public square.

## Care and Compassion for those in Need

We recognize our mandate to exercise care and compassion for those in need (**Proverbs 31:8-9**), and we will respond to God's direction in the complex issues facing our communities and our nation. Jesus reminds us that the poor will always be with us (**Matthew 26:11**), and He calls us to love others and care for the least of these (**Matthew 25:40**). In a broken and fallen world, we have endless opportunities to be the hands and feet of Jesus and show His love to others.
