

## Bible and Devotional List

1. *Lutheran Study Bible* (Meaty study bible with accurate scholarly commentary and helpful articles and prayers)
2. *Life Application Study Bible* (This will help you understand how the bible fits together. It will not always have textually sound commentary but it is very helpful from a life application standpoint)
3. *NIV Women's Devotional Bible* (Good devotions that help you get into the Word).
4. *Today's Light Bible* by Jane Fryar (Amazing devotions that will help you get into the Word and a reading plan for the entire year)
5. *Luther's Small Catechism* (Contains bible questions and answers with bible texts to back up each answer)
6. *The Christian Faith* by Robert Kolb (This book goes over all of the major teachings of the Christian Faith)
7. *Growing Up* by Robby Gallaty (Part 2 will teach you how to read the bible and pray)

## Apologetics Reading List

8. *More than a Carpenter* by Josh McDowell (A classic written by a former atheist who gives all the reasons why he became a Jesus follower)
9. *The Reason for God* by Timothy Keller (A defense of the Christian Faith answering contemporary questions a lot of skeptics have today)
