PRESBYTERIAN CHURCH

## **Gathering Again Phase 1-August Approach**

Due to the continual concerns for the rising cases of COVID-19 and the plea to help stop the spread of the virus by wearing face coverings in public, the leadership of BPC has decided to continue one indoor worship service at 10:30 a.m. (with a live-stream option in the Pavilion) and with the following guidelines:

- Face coverings (that covers mouth & nose) are required for all people over age 10 (if someone is not able, or willing, to wear a face covering, for whatever reason, we ask that they refrain from coming to the indoor service at this time)
- The preacher and worship leaders will not be required to wear face coverings while on stage and performing their duties; They will be required to wear face coverings when not on stage.
- We will still encourage social distancing before, during, and after the service
- We will limit attendance to 75 congregants and will still have people register for the service
- The service will be live streamed and offered for viewing after the service
- The service will be live streamed to the pavilion for people that are interested in gathering there (with appropriate social distancing – and face coverings being optional since it is outside)
- No child-care will be provided in the building or the pavilion during the worship service, but children of all ages are invited to gather with us
