Christian Education Ministry

As you know our church family's Christian Education Ministry is structured to help with a small portion of tuition for families that need assistance and chose to send their children to Christian Schools. As you look at your year-end giving, our committee would ask you to prayerfully consider this cause. Through November 30, we have received \$41,549 (of the requested \$80,000) for our year ending in May 2019. This ministry has been a blessing in past years, and with the Lord's continued blessing, this ministry will continue to help send many students to Christian Schools! Simply mark any year-end giving with CEM and it will be designated to this ministry. If you have any questions please see Mike Van Ryn, Deb Smies or Rich VanTol. Thank you!
