Christian Education

Christian Education Ministry

We would like you to ask our church family to prayerfully consider your involvement in this ministry. It is supported by our church family and their generous giving. **Today the** congregation will have the opportunity to make a pledge for the upcoming school year. We are happy to report that we have made our goal each year for this ministry! The program was set up for families that *really need some extra* financial help. We have many families that do not apply for any financial assistance. Going forward please assess your need on a yearly basis. Families must reapply each year if they are asking for support and be members of our church. Forms are in the back of church. This ministry is comprised of two support types; one type is for larger assistance through CSA (Christian School Assistance) where families apply and must provide financial statements for this assistance. The other is CEM (Christian Education Ministry) where any family can sign up for assistance each year. We also have many families that do not need assistance of any form and are not part of either program. Please drop your pledge card in the offering plate or turn it into the box by the *Ministry Wall*.
