Christian Education

Christian Education Ministry

Several years ago our church expanded the Christian Education Ministry. Year after year God continues to bless this ministry through pledges from our congregation. We are happy to report out that we have had another successful year, which resulted in helping many of our church families with the task of paying for Christian education. Once again this year, we ask that you will prayerfully consider your involvement. This ministry is supported by our church family and their generous giving and you have blessed so many children and families! On Sunday, March 10 the congregation will have the opportunity to make a pledge for the upcoming school year. We are happy to report that we have made our goal each year for this ministry! This is also the day that our church families can also apply for assistance for Christian education. Families must reapply each year if they are asking for support. This ministry is comprised of two support types; one type is for larger assistance through CSA (Christian School Assistance) where families apply and must provide financial statements for this assistance. The other is CEM (Christian Education Ministry) where any family can sign up for assistance each year. We also have many families that do not need assistance of any form and are not part of either program. Please drop your pledge card in the offering plate or turn it into the box by the information counter. Thank you in advance for your participation.
