Adult Education

Adult Education will meet after the morning worship service in the *Choir Room* at 11:00AM.

Today: *The Impact of Stress on Behavior* - Michelle VanderHeide, MSW, will be discussing how times of stress and/or development impacts the brain's ability to process information properly and why increased dysregulation often occurs during these times. Parents will come away with a better understanding of why a child's behavior can change so dramatically in a matter of seconds and what to do and not do during times of dysregulation. While this session is focused primarily on teenagers, the information presented will be applicable for any stage of life.

Next week: No Adult Education due to Thanksgiving.

Guys

Want to join a very informal and wide ranging topic of discussion group? We meet Sunday morning after the morning service from 11:00-11:45AM. The group consists of engineers & excavators, sales & service, physicians & farmers & more...guys of all ages. It is a book study group, however, we are not afraid to address current issues...whatever they might be. On Sunday, November 18 we begin a new book *2 Chairs: The Secret that Changes Everything* by Bob Beaudine. This would be a great time to join (or re-join) the group. Any questions, please contact Todd Mummelaar () or Larry Plaisier ().
