## **IV. Daily Proceedings**

District Assembly  
SC District Assembly  
The Gathering 2025: Keep Searching  
July 13, 2025, 5:30PM

The 83<sup>rd</sup> South Carolina District Assembly began on Sunday, July 13, 2025. Prelude music was supplied by the 2025 SC District Impact team. Rev. Jeremy Reese opened the Assembly with a welcome, announcements, and prayer. He introduced the District Superintendent, Rev. Samuel Flores. Rev. Flores introduced General Superintendent, Dr. Scott Daniels. After opening remarks, Dr. Daniels called the Assembly to order. GS Daniels then asked Rev. Greg Pressley to organize the assembly. Pastor Pressley directed the delegates to view the digital handbook that had been sent to them earlier. He explained that all voting would be done digitally. He explained that Christopher Ward would be the Election/Statistical Secretary, Dorothy Waldron would be the Recording Secretary, Rev. Melissa Burks and Rev. Roland Evans would be the pages. He established the Columbia First sanctuary to be the voting area. Special greetings were sent to Mrs. Charlotte Bearden, and Drs. Moody and Nina Gunter. A motion was made to adopt the organization of the assembly and passed unanimously.

Praise and worship began, and the worship team led in singing “Victory in Jesus,” “Holy Forever,” and “Build My Life.” Before the offering was collected, a video, “Vernard’s Testimony” was shown after which Rev. Lucky Detty prayed. As the offering was collected, the Zion’s Dance Ministry performed to, “Pra Siempre (Forever).” Dr. Daniels introduced District Superintendent Sam Flores.

Rev. Flores delivered his 7<sup>th</sup> report as SC District Superintendent. Rev. Flores began his report by thanking several district boards and committees that give him direction. He also thanked the district staff. The text of Rev. Flores’ report was taken from Luke 15:8-10: “Or what woman, if she had ten drachma coins, if she lost one drachma coin, wouldn’t light a lamp, sweep the house, and seek diligently until she found it? When she has found it, she calls together her friends and neighbors, saying ‘Rejoice with me, for I have found the drachma which I had lost!’ In the same way, I tell you, there is rejoicing in the presence of the angels of God over one sinner who repents.” During the report, videos were shown highlighting ways in which several churches on the SC District have been searching for the lost. Rev. Flores shared his vision and goals for the District 2025-2026 church year. He closed his very inspirational report by asking the congregation: “Who is the lost coin in your life? Have you let Christ’s light shine in the dark places of your community, your church, or your home? Have you allowed the Holy Spirit to sweep away the dust so you can reflect the image of Christ as your King? Are

we reflecting Jesus?” At the close of the report, the praise team sang “I’ve Witnessed It.”

Dr. Scott Daniels asked for a motion to accept the DS Report. A motion was made and passed unanimously. Rev. Tom McCrea and Tina Morse presented gifts to Rev. Flores and his wife, Candy Flores, and Dr. Daniels prayed a blessing over them. Following the report, Dr. Daniels introduced the GS Growth Award. The award was presented to Aiken Ebenezer Church of the Nazarene and Summerville Church of the Nazarene.

Rev. Greg Pressley, the District Secretary, asked the delegates to look at the Board of Ministry Report in the handbook. A motion was made to approve the report and the report was received. Rev. Pressley then named the Board of Tellers #1 (Elaine Wengerd, Justin Willis, Peggy Smith, Stephanie Johnson, Dedria Kinsman, Terry Johnson, Tamsen Waldron, Renee Eargle, Iwana Ridgill, Elwood Stith, Pamela Evans, Anabelle Renteria, Harold Murillo, Myra Peterson, Lisa Vaughn, Rachel Beita, Curtis Turner, Ellen McFadden, Joy Cheselka, and Lynn Thomas) and Board of Tellers #2 (Kay Rabon, Jennifer Grimaud, Trace Millen, Courtney Link, Sherrie Lathan, Brenda Haynes, Yvonne Worthington, Scott Looman, Eddie Felder, Linda Lewis, Terri Ramsey, Donnie Arant, Debbie Hickman, Emily Webb, Dwight Langdon, Pam Geddings, Martha Sams, Perry Hobgood, Peggy Self, Jim Bellamy, and Christine Parrish). Rev. Pressley then asked the delegates to read the Nominating Committee Report in their handbooks. He pointed out the biographical information for each nominee was also in the handbook along with a sample ballot. A motion was made to receive the report and passed. Instructions for voting were given. The ballots were sent electronically to each of the delegates.

As the delegates voted, the Upstate Mission Area Pastors Reports was shown. At the end of the report, Rev. Flores prayed a blessing over the pastors from that area. He prayed, “We bless you so that you may keep shining Jesus in dark places that all may see the glory of God.”

Rev. Flores expressed appreciation to Columbia First Church for hosting the District Assembly and introduced the host church pastor, Rev. Eric Nahass. Rev. Nahass adjourned the meeting with prayer.

*Ordination Service*  
**MONDAY, JULY 14, 2024, 7:00PM**

Rev. Sam Flores, District Superintendent, opened the service by welcoming everyone and giving the invocation. As the congregation sang "Holiness unto the Lord" the processional of the ordinands began. Once everyone was seated, Rev. Anabelle

Renteria read Ephesians 4:1-7; 11-16. Rev. Jonathan Pannell led the congregation in reading The Apostles' Creed.

Rev. Flores challenged the newly licensed ministers, Rachel Beita, Stephen Fairfax, Guisselle Gonzalez, Jillian Hutchins, Sarah Moss, and Jeremy Varn. He then presented them their licenses; however, Rev. Henry Varn presented his son Jeremy Varn's license. Following the presentation, Rev. David Gallimore, Rev. Caleb Miller and Rev. Eric Nahass read paragraphs 502.1-502.6 from the Manual of the Church of the Nazarene. Rev. Flores then recognized retiring ministers Thomas Harvey, Linda Robinson, and Harry Varn and Patricia Davis.

The ministers' choir sang "We Will Remember." Rev. Greg Pressley, District Secretary, presented the ordinands: Orville Williams, Iva Riley, Erica Wigart-Wright, and Michael Barkley. Dr. Scott Daniels, General Superintendent, led in the receiving and examination of the ordinands. Rev. Haydn Miller sang "Yet Not I but Christ in Me." Dr. Daniels message's text was Luke 10:25-37. He asked the congregation to notice that Jesus didn't tell us the race of the man who was robbed, stripped, and beaten to the point of death. There's no way to know if he was Jewish or Samaritan. Dr. Daniels pointed out that the story asks transformational questions. First, "what is it that really pleases God?" Second, "what does true worship look like?" He pointed out that the wine and the oil the Good Samaritan used on the injured man would have been the very things the Levite and Priest would have used in worship at the temple. What the Samaritan did was no less an act of worship than what the priest and Levite had done at the temple. What we do in worship together should cause us to go out and "do" acts of worship during the week.

The third question: "Are we able to receive blessings from those we consider the source of our blessings?" Often, we believe we will be the source of salvation to the world not realizing that someday they may be the source of ours. Dr. Daniels then pointed out that Jesus never answered the question, "Who is my neighbor?" Rather, Jesus asked, "Who WAS the neighbor?" Answer: The one who showed mercy. Serving Jesus is less about what we do or where we go; it's about who we are to become. The question isn't about what we have to do to get in; it's about who we become! We want to know what we need to "do," but Christian character can't be achieved in our own strength. It can only be achieved through the Holy Spirit, but we must participate in the work. Our call isn't to "do"; our call is to "become" the neighbor God wants us to be.

Dr. Daniels then began the Ritual of Ordination. Since Rev. Orville Williams had already been ordained by the Wesleyan Holiness Church, Dr. Daniels presented him with the Church of the Nazarene ordination certificate. The other ordinands along with

their spouses knelt at the altar and as the elders placed their hands upon them, a special prayer was prayed over each one individually. Rev. Sam Flores presented the Ordination Class to the congregation. Dr. Michael Johnson presented each ordinand with a special gift from the Trevecca Nazarene University. After Dr. Daniels' benediction, the service was adjourned.

**District Superintendent Report #7 2024-2025**

General Superintendent, Dr. Scott Daniels, Dr. Dan Boone, Pastors, Delegates, distinguished guests, and friends of the South Carolina District Church of the Nazarene, with this video and scripture, I present my 7th District Superintendent Report to the 83rd district assembly of the South Carolina District. I am grateful for the opportunity to serve the South Carolina Nazarenes. And I am even more grateful that I don't do it alone. The mission of making Christlike Disciples by searching for the lost and walking with them unto holiness is done through the efforts of many.

There are several boards and committees that give me direction, advise, but most importantly pray for me and the mission. They are tasked to make decisions and bring forth accountability. But they are also part of the missional force that God has gathered for such at time as this for the state of South Carolina and beyond.

These great leaders include:

The District Advisory Board – Those with terms expiring this year are Tom McCrea and Wendel Nixon. Will Harvey will be leaving to North Carolina to complete his Doctorate degree and will resign.

(Roland Evans, David Gallimore, Will Harvey, Tom McCrea, Tina Morse, Wendel Nixon, Laura Virden, Elaine Wengerd, Justin Willis & Isa Wojtkowski)

The Board of Ministry – Chair and Dist. Sec. is Greg Pressley.

(Roland Evans, Bill Harmon, Ben LaPlace, Loretta LaTourette, Glen Link, Tony Lupton, Mike McAdory, Eric Nahass, Libby Newman, Greg Pressley, Jeremy Reese, Scott Wade & Brent Walker)

The Executive Finance Committee – Chair Mark Alison.

(Mark Alison, Greg Pressley, Jessica Rojas, Pamela Geddings, LaNora Jensen & Kaleb Nimz)

The Camp Development & Operations Board

(Henry Adams, Donnie Arant, Brandon Barkley, Andy Barnette, Bill Brummer, Philip Dominguez, Brian Howard, Greg Lyman, Libby Newman, Lauren Rupert, Jayden Savage, Michelle Sharpe, Peggy Smith)

The District Department Presidents and their council members.

(Rev. Tony Lupton – NDI, Rev. Libby Newman – NMI & Rev. Nate Barefield – NYI)

The Board of Trustees – Peggy Smith has completed her term  
(Samuel Flores, Peggy Smith & David Snodgrass)

### The Camp and District Staffs

I'd like to thank our outstanding district staff, Jessica Rojas and Jeremy Reese. Both have done an incredible job while I was on Sabbatical and continue to show excellence in all that they do. I would also like to thank our first district office summer intern Jillian Josey. What a joy it is to serve with people that love the Lord and love others.

We now have 76 mission outposts including organized churches, church-type missions, parent-affiliated congregations and new starts that help us reach those that are lost. We exceeded our goal of two new churches by establishing four new churches.

Pastor Michael McCants, Pastor Juan Carlos Muñoz, and Alexander and Graciela Largo serve as missionaries to specific communities. If you wish to invite them to speak or support their ministries through prayer, outreach volunteering, or designated mission giving, they are available. You probably have heard that the most effective way of reaching the lost is by establishing new churches. And yet there are well established churches that are doing amazing things to reach the lost. Here is the story of one of them...*(Sumter First Video)*

“In the same way, I tell you, there is rejoicing in the presence of the angels of God over one sinner who repents.” Luke 15:10

How many of those 32 from Sumter First that came to know Jesus are here? Please stand up because we want to celebrate like it happens in heaven!

Tonight, I want to focus on a passage that reminds us of the importance of reaching the lost. It is found in Luke 15:8-9. I have already read verse 10.

*<sup>8</sup>“Or what woman, if she had ten drachma coins, if she lost one drachma coin, wouldn't light a lamp, sweep the house, and seek diligently until she found it? <sup>9</sup> When she has found it, she calls together her friends and neighbors, saying, 'Rejoice with me, for I have found the drachma which I had lost!'” (Luke 15:8-9; World Messianic Bible)*

The first thing I notice in this passage is the reality of loss. The woman in the parable lost a coin. I recently sat in the office of one of our Pastors who shared that God is doing amazing things, but I was hoping that we would be at another place in church growth. I told him it is okay to be disappointed. Likewise, out of the three goals I set last year, only the goal of establishing new churches was achieved. We fell short on the other two: in-person attendance missed the previous year's mark by 26, and while conversions increased from 546 to 606, we still did not reach our target. When we experience loss or setbacks, what should we do? The example of the woman who lost her coin gives us valuable insights and biblical encouragement—reminding us to keep searching.

Dwelling in disappointment will lead to death. But discovering hope will lead us to life and abundant life.

This year, I challenge us again to increase worship attendance by 5%. For the average church, which has about 70 attendees, this means four more people in weekly Sunday worship. What a blessing to see families grow! Picture your church family increasing. I also believe we should strive for a 10% increase in conversions. This calls for us to intentionally preach the Good News and personally invite people to a relationship with Jesus Christ. Many are lost, like the coin in the parable, and someone needs to find them. My prayer is that God will help us keep searching for the lost.

Our third goal is a 10% increase in discipleship attendance. Based on our current district numbers, this means 465 additional people need to connect with a discipleship group—whether that’s Sunday School, weekly Bible study, small group, or any ministry that produces Christlike disciples who will disciple others.

You might ask, “Where will we find them?” The parable offers a clue: when the woman lost her coin, she started searching at home. For us, that means looking within our own church community or our very own church home. There are 1,450 people who on average attend our worship services but aren’t yet involved in discipleship ministries. We already have a connection with them—or we should. Find a way to engage them more deeply. Connect with them. Even food can be a draw. If you feed people, they will come—just ask any college student or family dealing with food insecurity. Let’s stop making potlucks just for ourselves. Instead, bless your community: feed them, clothe them, and help provide shelter. Be wise—I’m not asking for you to put strangers in your home—but there are creative ways churches serve others.

Talk to Pastor Sam Burchfield in Bishopville or Pastor Curt Evans in Camden about how they’re opening their churches as cooling and warming centers or partnering with others to do so. Talk to Pastor Lucky Detty on how Reconciliation Ministries Church partners with other ministries to bring transformation to people struggling with addictions but also transforming their community. Some of you have already connected with Convoy of Hope through a special arrangement that the district has established. They have brought trailers full of food at no cost to distribute and bless your community.

Or connect with Pastor Buck Lathan in Laurens. Our Laurens Cornerstone Church provides “Sandwiches for Souls” every Tuesday, inviting those in need to join them for a meal. The church also placed a blessing box with non-perishable food items for people to come and get as needed. The blessing box became so popular that it was often empty. Pastor Buck got a call from a local business owner who noticed the church’s efforts and offered to keep the box stocked. When Buck asked what business she was in, she replied, “I’m a bar owner. In fact, another lady that owns another similar establishment called and said we’ll also help fill your blessing box with food.” Buck asked if I’d object to bar owners helping, and I said, “If we don’t share the Gospel, the rocks will cry out. Maybe, just maybe, God is using bar and other business owners, to accomplish His mission. Who are we to hinder God’s ways?” This past week, Pastor

Buck shared how one of the men that was saved through this ministry has started to come to church.

Perhaps, this is a key to transforming our communities, one person at a time, partnering in unexpected ways to reach and bless those in need. Let's see another example of how God is using His Church and businesses to search for others. (*New Start Community Video*)

Pastor Tony Lupton, Chris and Donna Williams and Magan Thomas, also known as Mrs. Betsy, please stand and turn and be recognized for how God is at work in your lives. Coming this Fall, we plan to share the full videos of this story through the district weekly mailer. Hope you are signed up for it.

When we become truly desperate to seek the lost, we will do all within our power to accomplish that goal. The woman in the parable was desperate to find her lost coin. She lit a lamp, swept the house, and searched carefully. What drove her persistence? It is known she was searching for a drachma. Historically, non-Jewish women—Greek or Roman—received a diadem or headband containing ten drachmas as a symbol of their married status, much like a modern wedding ring. Although the drachma was equivalent to a day's wages, its true value was sentimental and personal, not merely monetary.

This woman, being a non-Jewish foreigner, in essence an immigrant, she faced unique challenges. Perhaps her husband was away—likely at war—or possibly had been killed. If the latter, her only way back to her father's house would be to use the drachmas as payment for safe passage. The diadem would provide her with status and a means to secure safe transport home, where her father would pay the price for her return and would once again provide her continued protection, and safety, embracing her into the family.

The lesson here is clear: God challenges us to continually go into dark places and shine the light of Jesus. Are we lighting the lamp in dark places? We often sing the children's song, "This little light of mine, I'm going to let it shine," but if we only shine our lights inside the four walls of the church, how effective are we in transforming those in darkness? It is time for the glory of God to shine through the church as we go into our communities to be the light of Jesus.

Consider the places where darkness dwells: a bar where people drown their sorrows and failures in the darkness of drunkenness; a tent city or underpass where those facing food and housing insecurity hide in the dark for fear of humiliation; neighborhoods burdened by crime, drugs, and human trafficking where the powers of darkness dominate; shelters and assisted living centers where loneliness and mental darkness and anxiety linger; groups of teenagers overwhelmed by a climate of division and confusion about identity, sexuality and purpose, figuratively and literally in the dark; children whose hearts and minds have been darkened by abuse and neglect; individuals living on the margins some living in the shadows; they might be newcomers seeking safety and a better life for themselves and their families. Regardless of societal

debates or political perspectives, Christians are called to show compassion and hospitality to the immigrant, as it is written, “The foreigner residing among you must be treated as your native-born. Love them as yourself, for you were foreigners in Egypt. I am the Lord your God.” (Leviticus 19:34, NIV). These are all examples of places and people where we must go and bring the light.

Today, our Heavenly Father is still urging us to keep searching. And much like the story in Luke 15, we may not have to look far. It could be as close as the neighborhood Lowe’s, the local Dollar General, or, as Pastor Tony experienced, the neighborhood bar and grill—or perhaps even closer to home.

My last church assignment as lead pastor was a revitalization project. The church had fallen into steep decline after a moral failure involving the lead pastor and the associate pastor’s married daughter. For months, truth was hidden, gossip spread unchecked, and sin was left unaddressed. In the span of 6 months, attendance dropped from over two hundred to just about twenty people on my first Sunday. The church’s reputation in the community was badly damaged. Its daycare and school had dramatically and suddenly closed, and the twenty retirees who remained admitted they only attended church out of habit—they were ready to leave, too. With such a small group, there was no way to cover the mortgage on a new sanctuary-gymnasium million-dollar building, which had been built for a thriving congregation.

I was there with limited to almost no district support as a bi-vocational pastor. Yet God had taught me lessons from previous revitalization ministries. The first was to gather a prayer team. My faithful older saints struggled to pray specifically and with intentionality for the lost—they prayed for the sick, their families, the country, missionaries, church finances, and themselves—but not for God to lead us to the lost. I sat with them and explained how to pray for God to open my eyes to those I should seek. We fail to pray for God to lead us to the Lost. As they prayed, I stepped out of the church and followed a group of runners to a nearby high school where a large group was training under a Cross-Fit trainer and business owner. Through a series of miracles this group ended up having a large training event in our church, sponsored by Beach Body, the makers of P90X and Insanity workouts. One of the organizers challenged me to do a 60-day Insanity challenge to raise funds for the children living in low-income housing and were typically left alone with no food while their parents went to work. Every Sunday the trainer would invite those that had pledged to come and see my workout. Here is a video of one of them. (*Insanity Video*)

I took advantage of this opportunity. With great intentionality, evangelistic preaching at church, I began inviting people to respond to the Gospel every Sunday, and people came to Jesus. Within a year, the church grew to over a hundred and fifty in attendance and was able to meet its financial obligations, including paying their apportionments and providing a salary for their pastor. God provided. I went out searching and shined the light of Jesus to find the lost coins. And those coins (by now you should know that coins represent people) they responded to accepting Jesus but also to compassion and

generosity to others. The kids we fed and ministered to in the nearby apartments became part of the church and within a year we had started a Spanish church and a Korean church and had designated spaces for them. On any given Sunday the church facilities had over 200 people, and the majority were new converts. Praying for the lost; Preaching that Jesus saves; and Practicing Christlikeness regardless of race, gender, or judgment of people made the difference. These are keys to revitalization.

But while things were thriving in ministry, my home life was struggling. One of my daughters, a first-year student at my alma mater, rarely came home. Knowing she attended Texas Longhorn football games, my wife Candy and I surprised her at a game. Amid a crowd of 100,000, I found her—displaying a little too much public affection with a boyfriend I did not know she had. Once we discovered who this young man was, my wife said she had heard about him and the report amongst the neighborhood moms was not positive. Tension followed. We tried every approach to convince her he wasn't right for her, but nothing worked. Eventually, after a heated argument over Christmas break, she decided to move in with him at his parents' house. That was a terrible day for Candy and me.

I drove to Sugar Land, Texas to plead with his parents and bring her home, but I failed. While ministry was flourishing, my family felt like it was falling apart. Candy and I kept praying for change. By semester's end, the young man texted me: he'd broken up with my daughter because my daughter was depressed due to our strained relationship. I took it as an answer to prayer and began reconnecting with my heartbroken daughter. She returned to our home and started sitting with me at church. That summer, our relationship improved.

Yet with the new fall semester, I received another message from the young man. He told me that he was leaving his university where he had a baseball scholarship and he'd transferred to the University of Texas but assured me he wouldn't pursue my daughter. He also said he'd been watching our church's services online, mostly to see my daughter, that was sitting next to me on the front row, but over time, he listened to the sermons. During one service, when I invited people to accept Christ, he did so—right there at his computer in his room. Today, I had the privilege of baptizing him and my daughter that is about to bless us with another grandchild. (*Baptism Video*)

As a pastor, I was intent on reaching the lost outside the church, but I realized I hadn't let the Holy Spirit truly work within my own home. It's not just about reaching the lost "out there"; it's about reaching the lost at home, too. The lost coin may be right under your feet—covered in dust, hidden by your own actions, negativity or neglect. The lost coin could be the person that you have rejected in your family, could be that relative that you have avoided at family reunions. The lost coin could be that spouse, parent, son or daughter that you are still holding a grudge or hurt and have not allowed God to heal through forgiveness. That lost coin could be a sibling that you felt betrayed, abused, or neglected and you will continue to keep your feet on it and will not allow the Holy spirit to fill you with peace, joy and love that will surpass all understanding and allow the light of Jesus to overcome that darkness.

Unless we decide to move and start cleaning all our home with the broom of the Holy Spirit, we will never be able to find the lost coin in our own house. Unless we keep lighting the light of Jesus with compassion, care and love to others that are in darkness we will never truly experience a glorious revival of new souls that our churches need. Unless we start reflecting King Jesus and showing others that the father has paid the price with the sacrifice of his Son for us to return to Him, we will never see a great harvest of souls. You see, every drachma had the image of King Ceasar. If we are found coins, we must reflect King Jesus in how we live, talk, think, and act.

I challenge you: Who is the lost coin in your life? Have you let Christ's light shine in the dark places of your community, your church, or your home? Have you allowed the Holy Spirit to sweep away the dust so you can reflect the image of Christ as your King? Are we reflecting King Jesus? As you entered, you were given a coin; some are also at the altar. Write the name of someone you will commit to pray for and intentionally reach out to. Pray that the Holy Spirit will cleanse you, so you can reflect Christ's light and image more clearly. As the worship team leads us in this song, will you come and make that commitment today?

Respectfully submitted,  
Pastor Sam Flores  
South Carolina District Superintendent.

## **2. District NDI Report**

### NDI Presidents Report 2024-2025

Dr. Daniels, Pastor Sam Flores, Pastor's, NDI Presidents and Delegates,

As I stand before you today, it is an honor and privilege to give my 5<sup>th</sup> report as NDI President for the SC District. I am thankful for the faith and trust that you have in me to serve God and our District in this position. I am thankful to my wife, Toni Lynn, who has been my biggest support of not only this position but also for the call that God has placed on my life. I am also thankful for my New Start Community family who allows me the time to serve them and our District.

God has blessed me in so many ways since I relinquished control of my life to Him and placed it entirely into His hands. I always want to be obedient to anything and everything that God calls me to do. As this year progressed and as our ministry at New Start Community continues to expand outside the walls of our church, I had every intention for this report to include the announcement of my resignation as NDI President.

Not because of anything that has been done or said, but simply about time and balance. I have a tough time maintaining them both. I have always tried to live by what I tell my Staff and church about prioritizing the important things. It has to be God, family, ministry. But my desire to serve God sometimes overrides my ability maintain those 3 things in that order. Sometimes that balance can be unhealthy.

I am thankful that my church allowed me to take a 6 week Sabbatical when they saw how bad it was needed. That time away allowed me time to rest, renew and revive. I read a book named "The Weary Leaders Guide to Burnout." I really had no idea what burnout was and I was unable to even see that I was smack dab in the middle of it. I learned of new techniques to help me out of the burnout but also practices to recognize the symptoms of burnout so as to never find myself there again.

I am very thankful to have accountability partners and mentors who love me enough to see my both my blind spots and my heart for ministry. I was very thankful for the support of Pastor Sam and many others that led me to pray specifically as to how God was leading and then to follow the way that He is leading. With the time spent in prayer during my time away but also with very specific moments that followed my Sabbatical, I know now that God has clearly called me to remain in this position.

You witnessed last evening in Pastor Sams Report, a few of those specific reasons. Being able to create a relationship with Chris, Donna and Betsy shows me how important Discipleship is in the life of the believer. I am a firm believer in the importance of Discipleship as formative in the life of every Christian. To see the growth that Chris and Donna has made and partnered with Betsy and my Thommy Mac's family, I see God working and I want to see others not only come to know Jesus as their Savior but also to guide them towards spiritual maturity through the Discipleship process.

I am thankful to serve in a denomination that puts such high focus and priority on Discipleship.

Christian discipleship is a way of life. It is the process of learning how God would have us live in the world. Discipleship is not merely human effort, by submitting to rules and regulations. It is the means through which the Holy Spirit gradually brings us to maturity in Christ. It is through discipleship that we become people of Christian character. The ultimate goal of discipleship is to be transformed into the likeness of Jesus Christ.

This is why I think God wants me to continue in this capacity. Not that in and of myself I am some Discipleship expert and know exactly what do. But God has clearly shown me that Discipleship is not just about discipling myself. Actually, as I grow in my own Journey of Grace, God has led me to specific people that before I may have overlooked. I wonder how many people God has put in my path that I didn't see because of time and balance.

As I sat and watched Chris, Donna and Betsy in their interview process, I was overcome with emotion. Chris, Donna and Betsy know that I love them deeply. I wept as I heard the words that they spoke about how God is working in our midst. It was tears of shared hurt as I heard how they had been hurt by the church and church people. But it soon became tears of happiness as I see them coming out of the other side through the authentic relationships we have made and of course through the grace of God.

It was also tears of joy to know that God could use me and the wonderful people in our church to not only reach people for Him, but to show the love of Jesus to them that they deserved. New Start Community family thank you for buying into the vision that God gave us and allowing such a bold strategy to be worked through us for the glory of God. The way we have opened our church to anyone and everyone is an awesome thing to experience. These victories are not mine alone, you share in every single one of them because we see the value of EVERY ONE of God's children!

This spells out the purpose of Discipleship. Reaching non-believers for Jesus, establishing new believers in their faith in Christ and walking with them to a fully surrendered, heart-cleansed, fruit bearing and Spirit-filled life. We must understand the context of the times and the world in which we live and be willing to take the risk to step out of the normative structure that may not work for all of God's children, especially the lost. Keep Searching!

I believe that God has a place for all of us to reach. Yours may not be a bar. But I believe that God has placed every single one of us in places to advance the Gospel and win souls for the Kingdom. The question is, "Are we willing to take a chance that may disrupt what the church has been for so long? Are we willing to wade through the complexities that comes with reaching the unchurched?"

I wish I could tell you that it was easy. It wasn't. I wish that I could tell you that it didn't make some church people upset. It did. I wish I could tell you that everyone was on board with our strategy. I can't. But what I can say is that the risk was worth the reward as we now not only have an active Bible Study/Prayer Time at a little Restaurant/Bar on the lake, but we also have 6 people from Tommy Mac's in our membership class.

Can this happen in your church? Absolutely! I would ask you to pray that God would give you a clear Mission, Vision and Action Plan. Pray for God to reveal to you the lives He wants you to reach. Pray for those He lays on your heart that they would be open to hear the Good News that only Jesus provides. Prayer is the bedrock upon which all other ministry efforts are built and Fervent Prayer guides us to spiritual success. When you know that it is God leading you into a certain area or to a certain group, be available and go get them!

Be willing to take the chance and Keep Searching. The world is full of Chris and Donna's that are just waiting for someone to actually care enough about them and love them. I can assure you that when you do, the Holy Spirit will join with you and actually do the work of transformation in their lives. In one of Chris' post last week, he mentioned the words Prevenient Grace. Now that he knows that God has been drawing Chris into His presence, Chris now shares the knowledge of God that he is learning.

I could go on and on about what God is doing in this ministry but I also want you to hear about what God has been doing in the other areas that fall under the NDI umbrella. I would like to share that the SC District NDI Accountability Care List is 8,707 people with a weekly NDI Attendance average of 4,654. That puts us around 53% of our Care List

actually attending Discipleship classes regularly. I would love to see that grow to at least 60% by next Assembly. Working together we can join together in “Making Christlike Disciples in the Nations but also in our communities.”

In closing, you are about to hear about the great people who serve so well through the events that they lead. I am so thankful for our NDI Council and Event leaders and for their hard work and faithful service. They are the ones who put in countless hours and hard work in order to make a difference for the Kingdom. Words can’t describe how much I love each one of you and am proud to serve God beside you. May God continue to use us all for His purpose as we Keep Searching!

### 3. District NMI President

Dr. Daniels, Rev. Flores, Council, Delegates, and Friends,

Welcome to this year’s district assembly. My name is Libby Newman and I come today to present my fifth report as SC NMI president. I am proud to represent South Carolinians who are faithful to support the Great Commission through prayer, through educating young and old, through connecting with and caring for missionaries, and through giving. These efforts form the basis of NMI: praying, funding World Evangelism, supporting Alabaster, engaging children and youth, giving to Missions Specials, and ensuring Care for and Connections with our missionaries.

One of the ways that the global church can know that SC is serious about missions is in our stellar record of financial support. This year, the total South Carolina gave to World Evangelism was **\$522,489—to meet our goal**. Our district’s WEF giving totaled 6.2% above our goal. This accomplishment gives us the distinction of being a **World Evangelism District of Excellence**. This year, 39 churches met their WEF goal of 5.5%. 29 churches gave 5.7% or more to World Evangelism and achieved status as World Evangelism Churches of Excellence. I would especially like to commend two churches who gave over 12% of their church’s income to WEF. Lexington Shepherd and Charleston Iglesia, we are all so proud of you! When your church gives to WEF, you are supporting those who are taking the gospel to every corner of this world!

Not only does our district support the general budget for missions, we are faithfully giving to missions specials. This year, the reported amount given to Alabaster from SC churches totaled \$82,495.65. The total for Approved Mission Projects which includes World Mission Broadcast, Child Sponsorship, missionary healthcare and missionary deputation offerings totaled \$149,444. 25 churches attended to all the NMI goals and gave at least 5.5% of their income to WEF and achieved Missions Priority One commendation. Finally, 12 of our SC churches were able to meet an extensive list of goals beyond those above to achieve the distinction of SC Exemplary Churches. Thank you to those churches for setting an example for every church in SC to prioritize missions.

I am thrilled to tell you all that the total amount SC Nazarenes gave to Global Missions was \$702,152! I am just so proud of the hard work and giving hearts of our SC churches. To God be the glory!

We know that the work at the local churches is impacting hearts. This year, NMI presidents reported at least 8 individuals who are considering missionary service. One young adult from our state is currently serving as a short-term missionary in a creative access area this summer. Won't you pray for his experience and for the impact this will have on many lives?

South Carolina prays. South Carolina gives. And South Carolina goes.

Under the leadership of Rev. Jeremy Webb and his wife Emily, our district Work and Witness coordinators, two trips have happened since our last convention. Immediately following convention last year, a group of 14 people traveled to the Fawn Grove Compassionate Ministries Center, a Crisis Care Kit distribution center in Maryland. They assisted with inspecting and packing kits. Not only did they do great work, but they also learned many lessons about the specifics of the kits so that we can do a better job of getting that right. Then, in May of this year, a team of 18 found their way to Guatemala and worked on two different projects. The first was a construction project on the campus of the seminary in Coban, the site of the first building ever built with Alabaster funds. Our work was to help with the foundation of a new building as they continue to expand their student body. The second was working alongside Maxima Missions, a youth initiative in which young adults carry the gospel, as well as food and shoes, to children and their families. Our team participated in teaching children about dental hygiene and Jesus both in an urban setting and on top of a very remote mountain. To God be the glory!

This year, we were blessed to have two deputation tours. In the fall, Rhesa and Roberto Rodriguez, missionaries at the southern border of the US, came and visited eight churches and spoke at the Children's Missions Fair at the campground. The Border Initiative works with individual churches to feed and clothe people, to help them with documentation, and to share the Good News of Jesus. What an important way to share the love of Jesus with marginalized people.

Then, just last month, during Family Camp, we hosted Colin and Shireen Eliot who currently serve in South Africa but have also served in Asia. The Eliots visited six churches and spoke on Wednesday morning of Family Camp. What a privilege to interact with these seasoned missionaries who not only gave us reports of their work and some of the specific projects in South Africa, but who ministered to us through encouragement and dynamic preaching. The Eliots had quite a testimony of how our WEF funds made a difference in their lives as Shireen was led to the Lord by Nazarene missionaries. Now, they have been serving in the Church of the Nazarene for over forty years. Our investment has multiplied. To God be the glory!

South Carolinians were called into action when Hurricane Helene ravaged the southeast. Twelve of the 29 NMI presidents who completed their reports explained how their churches were specifically involved in helping people. We had a team from Southwest Ohio come and work alongside some of our SC Nazarenes to do repairs at Gunter Camp and in the Batesburg-Leesville community. Many churches collected items and delivered them to a school in Asheville. Rev. Wayne Cheselka and the Disaster Relief team worked diligently in the North Augusta/Aiken area and beyond. Nazarenes made an impact on the needs of some very distraught people right around and among us. Thank you to everyone who gave, who prayed and who went.

South Carolina Nazarenes embraced the call to support missions in district projects, but also in local projects sponsored by individual churches. I could never name

them all, but I want to share several. Notice that these projects are done by churches of every size—from very small to rather large congregations. I pray that we will be challenged and inspired to see if God might be calling our own churches—no matter the size—to serve Him in similar ways. I also want to add that growth is happening in these churches that are getting out of their doors and serving. Not only are those who are helped sometimes compelled to come to those churches, but people in our communities also come to be a part of a ministry that is making a difference. So many get to meet Jesus and hear the message of holiness when we use our talents to “keep searching” in service to the Lord.

Spartanburg First, with Pastor Tim Haynes and NMI President Travis Yarborough, understand their roles as missionaries in the upstate. This year, Bible studies were held at a homeless men's shelter, two mental health residence homes, and at Revival Butchery in Greenville. They also periodically house homeless families in their gym through a local program, "A Way Home." They participate with "Angel Tree" from Prison Fellowship and provide assistance through a local "Love in Action" fund. New Start Community in Manning, under the leadership of Pastors Tony Lupton and Donna Green as well as NMI President Crystal Bramlett is working hard in their neighborhood and beyond. They minister by visiting Drake Disability Home and interacting with the mentally impaired residents, they participate in Well Watered Ministry, a nonprofit that provides clothing, furniture and other necessities to needy people in the Manning area, and Pastor Tony has a weekly Bible Study at Thommy Mac's, a local bar that has a darts tournament on Thursday nights. Pastor Jerry Gilmore and NMI President Bobby Gaulden of Rock Hill Trinity described how they provide food to the needy, give out blessing bags with emergency supplies, host a middle school Bible education program weekly, and give supplies to people going through crises. At Orangeburg First, homeless individuals are invited to use the church's facilities to wash and dry clothes. These churches are just some examples of ways our local NMI's are ministering to the “least of these” among the citizens of our state. As we get outside our doors and use the resources we have to bless others, we have the opportunity to “keep searching” for those who need Jesus, who need to know they are loved.

Before I close my report, please allow me to personally thank all the pastors and local NMI Presidents who facilitate NMI in your context. I thank each of you for making missions a priority and for advertising events, encouraging participation, leading prayers, and providing missions lessons to adults, teens and children.

And to all of those who serve so faithfully on the NMI Council, I say a very sincere, “thank you!” Your commitment, your willingness to serve and to make the events you are responsible for the best they can be are a testament to your character and to your love for the gospel.

I also want to issue a challenge to all of our churches. Perhaps you did not meet the goals you hoped to this year. Perhaps your church was not listed among those I pointed out today. The challenge is not to look back, but to look forward. And to look around. Not every community has the exact same needs or challenges. Find out how your church can serve the people outside of YOUR door. How can you be a blessing to those who are hurting?

A recent study indicated that the most pressing needs of Americans today include the following: mental health, child abuse/neglect, loneliness, marriage and family issues,

poverty and hunger, and drug addiction. Ask Jesus to give you His eyes and His wisdom as you look around. Which of these needs is prevalent? What are the resources your church has to offer? First, and foremost, you can offer people hope, because you serve the God of all Hope.

As we look on this new year, I ask you to continue to make missions a priority in our churches. God has done amazing things through our dedicated churches and missions leaders over the generations—and I know that He will continue to do so as we faithfully implement our areas of impact. Continue to listen carefully for and to answer faithfully to God's call.

May God bless you all. Thank you for allowing me to represent SC.

Respectfully submitted,  
Rev. Libby Newman

#### **4. District NYI President**

July 14, 2025

One of John Maxwell's most famous leadership quotes is "everything rises and falls with leadership." I think that quote summarizes this year for SC NYI. Our quizzing ministry has grown again this year under the leadership of Bill Harmon and so many others stepping up. All our events this year maintained strong attendance, keeping positive momentum as the world has rebounded from COVID and has had to restart in so many ways. We had 26 churches send students to camp a few weeks ago, and about 35 more students from two years ago. Praise God, we love seeing that participation grow! This can only happen because of adult and student leadership at the local church level.

Our successful year results from our veteran youth leaders who continue to lead well, help carry the load, seek creativity in planning, and always promote a team approach. Our successful year also results from some amazing young youth leaders who have also taken huge steps of responsibility and leadership, and they continue to join the team seamlessly. SC NYI has an amazing team. There are never any egos in the room. I witnessed several of our youth leaders be vulnerable and share their story of faith at camp. Our students got to see that no one is perfect, and everyone's story is different, but God is always faithful. I know our District cares about leadership because SC once again sent the most people by far to the Fuel Youth Workers' Retreat hosted at Trevecca this past Winter.

I love to read NYI's verse anytime I report. 1 Timothy 4:12 reads, "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity." We have leaders and students who believe this. The growing number of churches participating in NYI events over the past few years is proof that adults and students are passionate about the role NYI can play in growing the faith and the church at the local level. That is the job of NYI. We want to be a springboard of encouragement and growth in the lives of students so they can go back to their local churches and spread the Good News to those with whom they live, work, and play. We take this seriously, taking time at events like Breakaway and Camp to help students learn discipleship skills such as being able to express their faith story,

how to talk to their friends about their faith, and how to grow in their faith on their own at home.

I enter the new NYI year with nothing but excitement. The rest of this report will consist of hearing from many of the people who led SC NYI well. The final event report will serve as the conclusion of the NYI Convention reporting. The event reporting is as follows:

Quizzing  
PK Retreat  
Breakaway  
TNT  
Impact  
Bridge Young Adult Retreat  
Camp

ADJOURN

Respectfully submitted,

 Assistant District Superintendent

**2. Finance Committee**

We, the District Finance Committee: Rev. Samuel Flores (ex officio), Mark Alison (chair-person), LaNora Jensen (Finance Committee secretary), Jessica Rojas (District treasurer/finance officer), Nate Barefield (NYI president), Tony Lupton (NDI president), Elizabeth Newman (NMI president), Rev. Jeremy Reese (recording secretary), Gregory A. Pressley (District secretary); ministers – Roland Evans, David Gallimore, Will Harvey, Tom McCrea, and Isa Wojtkowski; laypersons – Tina Morse, Wendel Nixon, Laura Virden, Elaine Wengerd, and Justin Willis, submit the following report for your consideration:

The Church of the Nazarene is comprised of local congregations throughout the world. By the uniting of our efforts and resources we are able to accomplish that which our local churches cannot do by themselves. Necessary to these cooperative ministries is financial support from the local churches. Furthermore, we are dependent upon the integrity of pastors and local church financial officers in developing and maintaining a means to this ministry that is equitable and healthy.

We recommend the following:

1. That for the **2025-26** fiscal year local churches participate in the District Missional Fund (DMF). The DMF shall be conducted in this manner: each local church shall contribute 6.75% of its tithes and offerings (including its Sunday School offering) for the support of the following South Carolina District Ministries: District Operations, New Church Fund, Camp, District Nazarene Discipleship International (NDI), District Nazarene Youth International (NYI), District Nazarene Missions International (NMI). Send to South Carolina District Church of the Nazarene, 150 McSwain Drive, West Columbia, SC 29169 or by electronic payment ([www.fundingthemission.org](http://www.fundingthemission.org)).

Exempt from inclusion in the DMF offerings is money given by the local church to the World Evangelism Fund and approved mission specials.

The DMF allotments are to be sent at least monthly to the South Carolina District Office by U.S. mail or through online giving. The district treasurer will disburse the funds proportionately in the following manner, up to **\$583,000**:

District Missional Growth – **4.00%**  
Camp – **9.00%**  
NDI – **4.00%**  
NMI – **4.00%**  
NYI – **4.00%**

After \$583,000 of the district budget (DMF) has been received and there is an excess over expenditures, the balance of monies will be appropriated according to the executive finance committee recommendations with approval of the District Advisory Board.

2. That the World Evangelism Fund shall be 5.5% of all monies raised, minus all money given by the local church to the World Evangelism Fund and approved mission specials. Send to General Treasurer, P.O. Box 843116, Kansas City, MO 64184 or by electronic payment ([www.fundingthemission.org](http://www.fundingthemission.org)).
3. That South Carolina's Nazarene Benefits USA (formerly Pensions & Benefits) shall be 2% of all monies raised minus all money given by the local church to the World Evangelism Fund and approved mission specials; and that Trevecca's allotment shall be 2.5% of all monies raised minus all money given by the local church to the World Evangelism Fund and approved mission specials. Please understand that it is the local church's responsibility to send the Nazarene Benefits USA allotment to the General Treasurer and Trevecca's allotment to TNU.
4. The District Budget shall be as follows:  
  
Proposed District Budget Expenditures **2025-26**  
See Addendum 1.  
  
Proposed **2025-26** District Missional Growth Investments - **\$23,320**.  
  
Proposed Camp Operating Budget **2025-26**  
See Addendum 2.
5. That the District NYI, District NDI, District NMI councils provide monthly treasurer reports to the district superintendent.
6. That the District NDI, NMI, NYI, , and Camp councils/boards present a proposed annual budget to the District Finance Committee.

7. That the district treasurer and all department treasurers be bonded at district expense.
8. That all district salaries and benefits and general assembly delegate allocations be preferred claims; and that all other district expenses not specified, including office equipment, be paid as ordered by the Advisory Board; that travel expenses for the district board and committee meetings be set at one half of the current IRS standards.
9. That the district superintendent be given 5 weeks' vacation with pay.
10. That the local church be responsible for the pastor's and any associate pastors' health insurance premiums.
11. That all district treasurers' books be audited by a qualified accountant.
12. For South Carolina Nazarene churches that have paid their Education Budget in full, TNU will match 2-to-1 any amount the local church sends in for their students up to \$500. (TNU will add \$1000 to make it a \$1500 Church Match Scholarship.)

For South Carolina Nazarene churches that have not paid their Education Budget, TNU will match 1-to-1 any amount the local church sends in for their students up to \$500. (TNU will add \$500 to make it a \$1000 Church Match Scholarship.)

### **Guidelines for Local Church Boards**

1. That church boards assume responsibility to see that 6.75% of the local church's offering is sent to the district treasurer at least monthly.
2. That our churches and departments have their treasurer's books audited or reviewed at the end of the statistical church year preferably by a qualified accountant, or by a competent committee, and that a letter is sent to the district office verifying this audit or review by October 1. Requests for permission to sell property, buy property, construct facilities, or borrow money may not be considered until the letter is received. This audit or review is to be verified on the annual pastor's report. (*Manual* paragraph 139.23)
3. That all church records are filed at the end of each statistical church year under the supervision of the church board, and that confidentiality be properly maintained.
4. That our churches pay full-time evangelists approximately twice their pastor's salary.

Travel expenses and Social Security taxes should be in addition to the compensation provided.

5. That our people be encouraged to exercise the stewardship of possessions and estates on behalf of the church. We further recommend that the pastors use every means to conduct an active bequest program through the local congregation. Visit [www.NazareneFoundation.org](http://www.NazareneFoundation.org) or call 866-273-2549 for more information.
6. That each church observe Nazarene Bible College Day and Nazarene Theological Seminary Day during the dates designated by the respective institutions, by distributing publicity materials and receiving an offering.

## Pastoral Care

Care for our pastors is a biblical concept and practice that needs to be carefully considered by our church boards. Realizing that staffing and financing resources of the churches can vary, we urge the appropriate committees to study and recommend action annually in each of the areas below. Churches receiving district support must comply with existing district policy regarding local church finance.

### A. Salaries

1. Each church, where appropriate and possible, should endeavor to employ its pastor on a full-time basis.
2. The pastor's and paid associate pastors' salaries are to be carefully reviewed annually as a minimum. It should be recognized that a salary increase is not an actual increase unless it is above the current cost-of-living index. When a pastor leads a church in growth that is reflected in increased finances, let this be a factor in determining the amount of increase in his/her salary and benefits.
3. A study should be made of the pastor's and associates' compensation to determine means of limiting tax liability. Professional assistance is available through the office of Nazarene Benefits USA (NBUSA). We recommend local churches seek assistance relating to the tax laws and their impact on tax liability of pastors and associates.
4. The pastor's and associates' salaries are to be considered a preferred claim.
5. That the pastor and associates be given at least one week's salary as a Christmas gift.

### B. Housing

1. In housing matters, churches should carefully consider the options of the pastor purchasing his own home versus retaining a church-owned parsonage to best meet the pastor's need.
2. When a pastor or associate purchases his own home, a housing allowance should be established commensurate with current housing and utility costs, in line with current IRS standards and consistent with NBUSA guidance.

3. If a parsonage is owned by the local church, the appropriate committee or board should be aware of and responsible for needed repairs and maintenance.

#### C. Insurance

1. Church boards should work with pastors to obtain optimum insurance coverage.
2. Consideration should be given to provide the supplemental term life insurance and the long-term disability insurance for the pastor and associates that is offered by the general church.

#### D. Local Church Expense

1. The church should provide a pastor's auto expense reimbursement, continually considering the increase in church-related auto costs. Consideration should be given to operating costs, maintenance, depreciation, insurance, and registration. Some churches may choose to provide a car for their pastor.
2. Each church should make provisions for a comfortable and well-equipped office for its pastors. This provision should include supplies, postage, telephone, and secretarial help when needed.
3. Recognizing that entertainment is a local church expense, consideration should be given to establishing an expense account to reimburse pastors for expenses incurred in professional responsibilities.
4. Each church should assist their pastor(s) with Work & Witness trip expenses, whenever possible. These ministry experiences should not be considered as vacation.

#### E. Retirement Benefits

1. The church should reimburse the pastor(s) the full amount of Social Security tax based on the total of his/her salary and housing allowance or parsonage rental value (where possible, including utilities).
2. NBUSA now offers a Ministers Match pension program. NBUSA will match contributions by eligible ministers and/or their church (local effort) to their Nazarene 403(b) account when the church also pays at least 50% of their NBUSA Fund allocation. The greatest benefit to the local minister occurs when the church pays 100%. For more information visit the NBUSA website. (<https://www.nbusa.org/>)
3. There is no longer an automatic contribution to the minister's retirement account, unless the minister and the church participate in this new pension program.
4. Once the church has fulfilled their NBUSA Fund allocation (2%) and if financially possible, the local church should also give consideration to establishing a matching TSA (tax sheltered annuity) plan for the pastor(s) through the TSA programs offered by the general church or other such institutions.

5. The local church should remit their NBUSA payment in order for the pastor(s) to receive retirement benefits. Here are the percentages for the Ministers Match Program:

Local Effort	NBUSA Effort	
NBUSA Fund Paid %	Match %	Maximum Match \$
100%	50%	\$2,500
90%	45%	\$2,250
80%	40%	\$2,000
70%	35%	\$1,750
60%	30%	\$1,500
50%	25%	\$1,250

## Well-Being

### A. Physical

1. The pastor and full-time staff should be given an annual paid vacation. As a guideline, we suggest the following schedule for total years of service, not just the tenure of service at the current assignment:
  - 0-4 years 2 weeks (including 2 Sundays)
  - 5-9 years 3 weeks (including 3 Sundays)
  - 10-19 years 4 weeks (including 4 Sundays)
  - 20 or more years 5 weeks (including 5 Sundays)
2. The pastor is urged to give careful consideration to following the biblical call to weekly Sabbath in taking one day off per week. He or she should also lead the congregation in understanding the words of Jesus that the Sabbath has been made for our well-being. God does in Sabbath what can only be done in Sabbath. Working on one's Sabbath should be rare. (Mark 2:27)

### B. Spiritual

1. Realizing that pastors face stress, pressure, and exhaustion, consideration should be given to granting extended time away (week or month) for rest, renewal, prayer, and spiritual growth.
2. We affirm the biblical call (Leviticus 25) to follow the rhythms established by God for His people. During each fifth consecutive year, we recommend a paid sabbatical leave for rest, renewal, prayer and spiritual deepening, with district approval.
  - a. We recommend not less than 4 weeks of sabbatical time.
  - b. Recognizing the unique challenges of our bi-vocational pastors, the pastor / board are encouraged to invite the staff of nearby congregations and retired elders to help with the preaching duties. We encourage those ministers to consider their assistance as a gift to the local church in helping our bi-vocational pastors.

- c. When a pastor has been in the ministry for 12 years, has not ever taken a sabbatical, and has been in his or her current assignment for at least four years, we recommend the congregation consider granting the pastor a sabbatical, in consultation with the district superintendent.
  - d. Church board/congregations should not consider the sabbatical as vacation nor should the compensation of the pastor be reduced.
  - e. In financially healthy settings, the church board/congregation should consider helping the full-time/senior pastor with the costs associated with the sabbatical. See *Manual* paragraph 139.10.
3. We urge that members of the local church uphold their pastor(s) daily in prayer.

#### C. Emotional

Understanding the emotional burden that pastors carry in caring for others and the high rate of burnout experienced by clergy, we recommend that the pastor give careful consideration to his or her own emotional health. We recommend that the local church encourage and provide the opportunity for each pastor to engage in counseling that would be consistent with Christian values, including, but not limited to, the Pastoral Care Center at Trevecca Nazarene University, with which the district has a contracted relationship.

#### D. Educational

- 1. That each church encourage all of its pastoral staff to enrich their ministry at the local church by providing funds and time for Lifelong Learning as outlined in the most recent Church of the Nazarene *Manual* paragraphs. This may include ministerial conventions, seminars, directed studies, and special college and seminary courses. This provision may also include the purchase of professional development materials (books and periodical allowances) and the payment of professional dues.
- 2. That each church, especially those without the funds to help with Lifelong Learning requirements, encourage their pastor to participate in the South Carolina School of Pastoral Leadership.

#### E. Inspirational

That each local church assist their pastor and associates in attending District Assembly, Family Camp Meeting, conventions, and the annual retreat for pastors and their spouses and that these meetings not be considered vacations.

## Family

### *Special Recognition*

- 1. Each church is encouraged to recognize all members of the parsonage families at appropriate times of the year: Pastor Appreciation Month, birthdays, anniversaries, Christmas, etc. Special attempts should be made to show appreciation and express love to the pastors and families at all times.

2. That our churches remember the retired ministers, missionaries, and evangelists within their membership with special acts of love and kindness.

*Respectfully submitted,*

LaNORA JENSEN, Secretary

MARK ALISON, Chairperson

**VI. Minutes of the Conventions  
and Auxiliaries**

**A. DISTRICT NYI CONVENTION  
MONDAY, JULY 14, 2025, 9:00AM**

The morning began with worship then Rev. Jeremy Reese gave announcements and led in prayer. The Lower Midlands Pastors Reports video was shown after which Rev. Flores had the pastors from that area come forward for prayer. Rev. Greg Pressley, District Secretary, gave instructions for voting and directed the delegates to review the sample ballots and biographies of those nominated for various offices. A motion was made to accept all three reports (NYI, NDI, and NMI), and the motion was approved. The ballots were then sent to the delegates.

The NYI Convention began as Rev. Sam Flores introduced NYI President, Nate Barefield. Rev. Barefield delivered his report to the convention and Rev. Flores presented gifts from the NYI Council to Nate and to Bethany Willis. NYI Council members gave reports highlighting several NYI events. Following the NYI President Report, the Santee Mission Area pastor reports were shown.

**Committee on Standards and Goals 2025-2026**

We, your Committee on Standards and Goals, urge that each local NMI plan to meet all requirements for Mission Priority One, World Evangelism Church of Excellence, and the Exemplary Award.

- I. We recommend that each local NMI council meet promptly following the district convention and make plans to receive all awards: Mission Priority One, World Evangelism Church of Excellence, and Exemplary NMI by participating in **all** of the following:
  1. **MISSION PRIORITY ONE** The NMI President shall attest that the NMI at the designated church has participated in each of the emphases of NMI:
    - (1) **PRAY** – Pray for missions and missionaries.
    - (2) **Engage Children and Youth** – Help children and youth learn about missions and support those who feel called to missions service.
    - (3) **World Evangelism Fund (WEF)** – The church will give 5.5% of current income for WEF.
    - (4) **Alabaster** – Participate in Alabaster offering.
    - (5) **Care and Concern**– Participate in Links, connecting and supporting a Nazarene missionary through communication and prayer.

2. **WORLD EVANGELISM CHURCH OF EXCELLENCE** This designation requires that your church give at least 5.7% (or overpay by \$1,500, whichever is less) to World Evangelism Fund to invest in new world areas and new works in the U.S.A. and Canada. This is SOLELY based on the giving amount.
3. **EXEMPLARY AWARD** This commendation requires that your church meet all the goals of Mission Priority One, Award of Excellence, AND meets all of the goals listed below:
- (1) **Pay District NMI Budget in full** by participating fully with the District Missional Fund. This enables all District Budgets to be paid in full.
  - (2) **Participate in World Mission Broadcast** by receiving an offering. There is no assigned goal set.
  - (3) **Participate in the District Work & Witness Program offering** by mailing a separate offering to the District NMI Treasurer. There is no assigned goal set.
  - (4) **Participate in the Missionary Health Care Plan** – by presenting the following (a minimum of one is required to receive the award but more than one is suggested):
    - Memorial Roll Certificate for an adult or child
    - Distinguished Service Award
    - “Gifts from the Heart”
    - Receive an Offering for the Medical Plan.
  - (5) **Give a Deputation offering for a visiting Nazarene Missionary.** Offerings may be given at your church, at the Children’s Mission Fair, and/or in another Church of the Nazarene deputation service. You may give your money electronically to the missionary’s GTS deputation account. Make sure you mark it for that particular missionary.

It is recommended that each pastor and NMI president plan for and publicize the missionary deputation service scheduled by the District Deputation Coordinator. A healthy involvement in the total mission program, by both the local church and the district, is partially dependent on a yearly visit from a missionary. The missionary is the liaison with the world mission areas where the Church of the Nazarene is at work. At the deputation service, a deputation check written out to the General Treasurer Church of the Nazarene, should be given to the missionary. Suggested deputation check amounts:

Sunday A.M. Service - \$400 to \$500 minimum  
Sunday P.M. Service - \$250 to \$350 minimum

Weekday Service - \$225 to \$325 minimum

After the missionary speaks, a love offering should be received, in addition to the deputation check.

- (6) **Participate in the Compassionate Ministries Offering** as well as be involved in a project or child sponsorship. There is no goal set.
  
- II. An Exemplary Certificate will be given at the District NMI Convention to the churches that meet all the above goals qualifying them for the **Exemplary Award**.
- III. We recommend that the local NMI council members, when possible, be considered as nominees for election as delegates to the district NMI convention.
- IV. We recommend that local NMI presidents send their annual reports to the district NMI secretary to be received no later than the established deadline.
- V. We recommend that each local NMI council be provided with a *Nazarene Missions International Handbook*, or copies of the member's particular responsibilities.
- VI. We recommend that each local NMI council encourage and assist their pastor(s) with Work & Witness expenses.
- VII. We recommend that each local NMI council encourage and assist lay person(s) including youth, with Work & Witness expenses.
- VIII. We recommend that each church endeavor to meet all the requirements for the South Carolina District **Exemplary Award**.

To Whom It May Concern,

I have completed my audit of the South Carolina District Church of the Nazarene's cash receipts and disbursements for the fiscal year ending May 31, 2025. The accounts included in the audit are the District Operating Fund, Camp Fund, NYI Fund, NDI Fund, and NMI Fund. I have reviewed randomly selected items as laid out in the Agreed Upon Procedures for the district, and inspected the backup files and bank statements accordingly.

It is my professional opinion that the accounts listed are in good order and of sufficient integrity. Although I originally had two fail items, we were able to reconcile those. I have no consideration to fail this audit in the slightest, but some accounts do need a little bit of attention. This is the seventh subsequent year that I have completed the audit, and it was the best one yet. Jessica has obviously made an impact in her role with record keeping and financial coaching at the district. All major issues or concerns that I had were addressed and cleared up by Jessica Rojas and members within the district. There were zero fail items and the largest funds had the best reports. All concerning items remaining were minor and most were recurring in nature. As a result, the district passed the audit. I will follow up this report with recommendations to the district for next year's audit, in an attempt to increase efficiency and compliancy. Those will not affect the pass/fail tests in the audit, only improve record keeping and overall controls. Much of what has been noted was already discussed in person with Jessica Rojas, the Financial Officer of the district.

Sincerely,  
Chris Ryon  
Accounting Professional
