Transportation Information

- We are NOT renting buses for the whole district again this year. Churches are encouraged to ride-share using church vehicles or other transportation.
- Everyone needs to **arrive in Nashville by 3:30p** at the designated hotel to get checked in. We do not know which housing at this point but I will let you know when I have that information.
- If your church or group of churches uses a designated driver for the trip, make sure to calculate the expense of his/her room (\$155/night—\$465 for 3 nights) and let me know he/she needs a room. The first scheduled group activity will be a SC District meeting at the hotel, check-in, then we will all go to dinner together at Opry Mills food court.

New for this year: When sending your registration forms, **ALSO EMAIL** a copy of the forms and show the amount you're sending for each student according the the fees above so we know how to apply the funds. Email: jmoore@mvnazarene.org
