THE CASE FOR CHRIST
You are invited to experience and investigate the truths about Jesus as we follow the **True Story of Lee Strobel**, a Legal Journalist of *The Chicago Tribune*, Yale Law School Graduate, and atheist who questions the truth about Jesus. *The Case for Christ* is a *New York Times* best seller and now (April 2017) an award winning 5 Star, excellent movie. For **6 weeks, February 21-March 21**, we will follow the true life spiritual journey of Lee and his wife Leslie as they battle with faith and facts. Lee has multiple tense conversations with Leslie. At one point, he tells his wife, "I get that you want this to be true. But what if it's not? Wouldn't you want to know that before you dedicate your entire life to it?" Leslie answers, "Of course. But if it is? What if it is true? Wouldn't you want to know that?" What does it take for a fiercely committed, almost militant atheist to place his faith in Christ? *The Case for Christ* answers that question for Lee Strobel and hopefully for all of us. *The Case for Christ, Wednesday Night Connection Class* will be led by Dr. Stan Rittgers (Professor Emeritus of Biomedical Engineering, Akron University and GSUMC Winter visitor) and Chaplain Dave McLean, atmdem@aol.com. Meeting in Room 130 A, 6:00-7:15 PM.
