

Hope and Grace.

Hope in the midst of the unknown is a great virtue to possess. Hope provides the fuel we need to be motivated while we persevere through the unknown. This COVID-19 pandemic has caused worldwide fear and panic.

Paul in Titus 2:11-13 gives us words of encouragement:

For the grace of God has appeared, bringing salvation to all men, instructing us to deny ungodliness and worldly desires and to live sensibly, righteously and godly in the present age, looking for the blessed hope and the appearing of the glory of our great God and Savior, Christ Jesus.

Grace brings salvation...Grace, enables us to say "no" to godless ways and worldly desires and "yes" to godly lives and with sensibility. We live this way, while we wait for the glorious appearing of our Lord and savior Jesus Christ. Our living hope, our Lord and savior is coming and will appear and our salvation will be fulfilled.
