Volunteer Opportunities

Within the church
and the community

Take your next step – consider serving through The Journey! Browse through the volunteer opportunities in each ministry area, and then fill out the form (paper or on-line) to test-drive that serving opportunity or shadow a current volunteer.

Not sure where to start? Check out the next SHAPE class to discover your spiritual gifts, temperament and passion for ministry.

Don't see your thing? Fill out our Volunteer Form or contact the office to ask for a consultation with an elder who can help you find a good fit.
