

WARM Project

Chapin Area
Missionary: James Fuller
james.fuller@sonoco.com

W.A.R.M Project – WARM stands for Weatherization and Repair Ministry and its purpose is to reach those in need who are in our Chapin community and surrounding area with Christ's love, by making much needed repairs on their homes, repairs they cannot afford or are not able to make themselves. With the WARM Project, the labor and materials for those repairs are gifts, a paying forward of God's unconditional love. Volunteer opportunities include construction, yard cleanup and assignments as scheduled by WARM Project leaders. The WARM PROJECT is held during the last week of December each year.

We Care

1800 Chapin Road
Chapin, SC 29036
www.chapinwecare.org
Missionary: Alecia Klauk
directorwcc@twcbs.com

We are the We Care Center, established in 1986, to work with families and individuals in our community who are facing emergencies trying to meet their basic needs. We serve as an outreach ministry for churches in the Chapin, Little Mountain, White Rock, Peak, Pomaria, and Prosperity communities in answer to the call of Jesus Christ to serve the poor and needy. Volunteer opportunities include working in the food pantry, client counsel/interviewing, food pickup, front desk admin and a variety of volunteer needs. Opportunities to volunteer are day and evening times.

Before Jesus ascended into heaven, He told His disciples: "...you will be my witnesses in Jerusalem, Judea, Samaria, and to the ends of the earth." (Acts 1:8)

The Lord made it clear that being His follower meant proclaiming Him to those who do not know Jesus, both those who live close by such as our neighbors, and those who live all over the world. The CUMC Global Outreach (GO) Team want you to know that many local opportunities for service abound right here in the Chapin area. Ministries that are right outside our doors, ministries that make a life changing, eternal difference in those they serve. Opportunities that are as diverse as mentoring children without parents; providing medical care to underserved communities; being an advocate for the unborn; and serving the homeless in downtown Columbia.

You may not have an idea of what you should be doing, you just know that you should be doing something! This brochure is for you, to give you some ideas and hopefully spur you on to getting out there in the community and being a difference maker for Jesus. Please take some time to prayerfully consider the many different ministries represented in this handout and get out and try something. You won't regret it!!
